

Message of Prayer from **JESUS, LORD AND LOVER OF THE DIVINE WILL**  
For ALL WHO WISH TO DEEPEN THEIR SPIRITUAL LIFE  
**November 13, 2000** through Chris Courtis, a visionary in Maryland, USA

**My dear ones,**

I call you here today to gather you and to call you to My Sacred Heart.

My Sacred Heart is filled with **love, mercy, and peace.**

To obtain peace and mercy, you must be loving, and you must be forgiving, as I am.

Without a forgiving heart, you will not be able to accomplish peace in the new era that awaits you.

True peace comes when you **give yourself to Me, and you forgive others.**

My dear little ones, why forgive?

The reason that you should forgive is because you should be loving, as I am.

Forgiving and being loving go hand in hand.

Without love, you cannot show forgiveness, and

Without love, you cannot show mercy.

See past the faults of all those who have hurt you.

See past the pain that they inflict. See their heart.

See that **they are My children, made in My image.**

For that reason, they are **worthy of love and forgiveness.**

You must forgive if you are to be forgiven by Me and My Father.

Forgiveness helps to set you free, and with freedom, comes true peace.

Many of you want peace, but yet you are not willing to forgive each other's differences.

How foolish you are in your thinking!

Love and mercy go hand in hand.

If you love someone, don't you forgive them as I forgive you?

I also cherish you, my little ones.

You too are to cherish each human being.

Cherish them, even when they inflict pain on you and **pray, pray, pray for those who hate you, and spitefully use you.**

Do you not see, my little ones, that you must dwell in the silence and depths of your heart, in My heart?

Enclose your heart in Me. Give Me all your doubts, worries, fears, anxieties, burdens.

Enclose them in My heart and seek more trust in Me, your Lord, your God, your Savior.

True freedom comes from true forgiveness, and that brings true peace.

MY MESSAGE ON PRAYER IS

THAT YOU PRAY FOR A FORGIVING AND LOVING HEART, and

THAT YOU PRAY FOR THIS NATION.

The people of this nation say they want peace, but yet many of them are too prideful to forgive other people, even their own brothers and sisters.

**FORGIVENESS IS THE KEY TO TRUE LOVE AND PEACE.**

That is my message on prayer.

Take it, cherish it, live it!
