

Message of Prayer from **MARY, MOTHER AND QUEEN OF THE DIVINE WILL**

For ALL WHO WISH TO DEEPEN THEIR SPIRITUAL LIFE

**November 13, 2000** through Chris Curtis, a visionary in Maryland, USA

**My dear little ones,**

Thank you for coming and praying with me.

I thank you in the tenderness of my Most Immaculate Heart.

My little ones, the message on prayer is one of importance.

**Pray, pray, pray for a loving, caring, and understanding heart.**

Little children, there are too many people who are prideful and think not only that they

know everything, but that they are right.

My little ones, **pride** keeps you from my Son and can destroy all the love and good that may dwell and exist in your heart.

Little ones, pray, pray, pray for a loving, caring, and giving heart.

With a loving, caring, and giving heart, you are being asked to help the poor, to clothe the

naked, to care for the sick and dying and show them God's mercy and love.

His mercy, His love, His goodness, His caring and understanding can exist, and only exist **through you.**

You are called, my dear little ones, to be the **carriers of God's love, peace, mercy, caring, and giving to others.**

You must give that which He has given to you.

You must love with all your hearts and seek His love, help, and protection.

It is by these means that the Will of God will compel you to help, love, and care for others.

Though love, caring, and mercy can bring peace to others, it is by your charitable acts of mercy

and love that you shall gain your crown in heaven.

However, this is not the means for salvation alone. Those who seek to do goodness to others

seeking that they shall win their salvations, are wrong in their thinking.

Though it is a crown in heaven, it is not salvation. Only One is your Savior and that is **my Son,**

**your Lord and Savior, Jesus Christ.**

Seek His help, love, protection, and pray for a loving, gentle, caring, and giving heart, and then

you can help others with love, and

Through caring, and giving, and loving others, not only will you gain your crown in heaven, but

you will also be blessed with the abundance of love and joy and peace that comes from

God.

As always with my messages on prayer, **please try to live them** the best you can.
