

Message of Prayer from **JESUS, LORD AND LOVER OF THE DIVINE WILL**  
For ALL WHO WISH TO DEEPEN THEIR SPIRITUAL LIFE  
**August 13, 2001** through Chris Curtis, a visionary in Maryland, USA

**My dear ones,**

I thank you for gathering with Me and for praying with Me as I pray to My Father.

My dear ones, I wish to **teach you this day about true peace.**

Peace can only come from living true and holy lives according to the gospel that I have given to you.

My little ones, peace comes through **prayer.**

Peace comes through **fasting.**

Peace comes through the **Most Holy Eucharist.**

Peace comes through **Me**, through My **merciful love** for you.

Peace, My little ones, cannot exist without **your willingness to surrender**, not only to My Will, but to My peace that I wish to give to you. In My Mass, I always say these words, "My peace I give to you. My peace I leave you." But it is up to you to accept My peace and live it within your hearts.

You as individuals have the **free will choice** to truly and freely accept My peace or deny it. The reason why your nation suffers from lack of peace is because no one wishes to live the peace that I give to them.

My little ones, Satan wishes to destroy your peace by taking away the Sacrament of Reconciliation, the peace that I give to you in My Mass and eucharistic adoration, and peace which you receive when you pray your Rosary.

He wishes to disturb your peace and take away your peace by entering the fabric of society and by showing you a world run by materialistic goods and by human desires for self-satisfaction.

My little ones, it is false to say you will never find peace in this world.

Peace does exist **within the pure heart of God the Father and Me**, your merciful Savior.

How often have I called you to run to My mercy, to My love, to My Sacred Heart where all peace comes forth?

My little ones, run unto My merciful heart now and receive My peace that I wish to give to you, but if you wish to not only obtain peace, but also to hang on to your peace, you must **live** it.

**Live the gospel message, attend Mass more frequently, pray your Rosaries and do not let Satan through his hatefulness disturb your peace.**

Peace is the most precious gift I give to you because it is out of mercy and love that I give to you My peace.

My children scream for peace, yet they will not practice it on their neighbors, or yet live it within the very fibers of their soul.

Peace can exist, but **it first must reign between you, Me, and God My Father.**

I love you, little ones, and I ask you to look deep within yourselves to see if you are living true peace.

If you are hateful and disobedient and angry, how can you dare to say you live peace?

-more-

Your soul is the reflection of what is seen on the outside.

If you reflect anger and hate, then so shall your soul be in anger and hate.

Love and mercy brings forth peace.

**Live** the peace I give to you.

**Show** peace.

Let it **radiate** through your souls, through your body.

Let people see you as **living witnesses of Me**, your Christ.

I live for you.

I love you, and I give to you peace, but it is your responsibility to live it.

And I say again, I give to you My peace, but **it is your responsibility to live it**.

Please take to heart these words on prayer, and be victorious over the evil one by **love, mercy  
and peace** that I shall give you.

I bless you, my little ones, in the Name of the Father, and of the Son, and of the Holy Spirit. Amen.
