

Message of Prayer from MARY, MOTHER AND QUEEN OF THE DIVINE WILL
For ALL WHO WISH TO DEEPEN THEIR SPIRITUAL LIFE
June 13, 2001 through Chris Courtis, a visionary in Maryland, USA

My dear little ones,

I thank you for coming and for gathering together in prayer. My little ones, Pray! Pray! Pray! Pray your Rosaries! My little ones, be united as you are today. Be committed to praying your Rosary for peace and for my special intention. My dear little ones, you do not know the power of the Rosary. I gave it to all my children, and I will say this, I invite all my children, regardless of race, religion and creed to pray the Rosary and to meditate on the life, death, and resurrection of me and my Son. My little ones, be apostles of the Rosary. Teach others to pray the Rosary.

My little ones here, I bless you and ask you to ask non-believers too, to pray the Rosary. Again, I will say what I have said before. I'm asking all people throughout the whole world to pray the Rosary, regardless of race, religion or creed. It is only through this Rosary *(She's holding up her Rosary!. It is a gold chain, gold Cross, everything is gold except for the beads. The beads are white, but they're sparkling. They're mother of pearl, she's telling me.)*

My dear little children, see how the Rosary sparkles. It is the Rosary of prayer. Your prayer life should begin and end with the Rosary. Begin each day with the Rosary, and end each day with the Rosary. I especially advise those who are parents, and I plead with you to pray the Rosary with your children. Family prayer, especially the Rosary, brings great joy to my Most Immaculate Heart! When you pray your family Rosary as a family, I'm able to bless you and be present to you in an ever special way which you are not aware of all the time. Plus, I shall bring peace to your family when you unite and pray the Rosary together for peace.

Little ones, spread devotion to the Rosary and ask others to stop offending God. In 1917 I came to Fatima, Portugal requesting that my three little shepherd children pray the Rosary for the intentions of world peace and for the end of war. Today, my dear little ones, I ask you to pray the Rosary again for peace, and this time, for an end of abortion.

Little ones, be united through prayer, especially the Rosary. Be apostles of the Rosary, and tell others about my apparitions at Fatima, and about how much I love and honor my people who pray the Rosary. If you pray the Rosary from your heart, I shall intercede to my Son and grant your request. Again, little ones, sometimes, even when you pray the Rosary, the answer that you may get may not be the one you want. Yes, little ones, sometimes the answer is "no". Sometimes it is "yes", but not for a while, and sometimes it is "yes", as soon as possible.

Little ones, be united through my heart by praying the Rosary. You cannot separate the Rosary from my heart, because I am Our Lady of the Rosary. *(She's glowing! She's bursting in light! She's smiling.)*

Bless you, my dear little ones and, as always with my messages on prayer, please try to live them the best that you can. That's all I ask. That's all that God ever asks of you, that you do your best in prayer. Peace *(She's blessing us with the Sign of the Cross.)*
