

Message from **MARY, MOTHER AND QUEEN OF THE DIVINE WILL**  
For ALL WHO WISH TO DEEPEN THEIR SPIRITUAL LIFE  
**March 13, 2001** through Chris Courtis, a visionary in Maryland, USA

**My dear little children,**

I come today to thank you for gathering with me and my Son in prayer.

Thank you so much.

My dear little ones, continue **to pray, pray, pray. Pray always, unceasingly, and pray your Rosaries for the conversion of all sinners.**

My little ones, the Rosary is a powerful means to fight Satan and is a tool for conversion, but **if you say the Rosary without your heart, then the Rosary you say is worthless.**

My dear little ones, if you pray every day, all day without prayer from the heart, then your prayer is worthless.

**Pray, my dear little ones, with your heart and be united to God through prayer and love. Again, my little ones, be united to God through prayer and love!**

I will now give this parable.

My dear little children,

There were two women and these two women were also just in the sight of God.

However, they were also both very competitive. When one prayed, the other one prayed. When one fasted, the other one fasted. When one slept, the other slept, always in competition. One day when the women were on the way to the temple, one of the women said, "I shall pray and I shall be great in prayer." The other woman said, "So shall I." So they both joined together in prayer and fasting.

But one of the women started to understand the true meaning of prayer and fasting, and when she prayed, she prayed from her heart. Therefore, she said unto the other woman after many days, "You may keep praying if you wish, but I shall pray from my heart and we shall see who God shall answer." And the woman who prayed from her heart, God did answer.

My dear little ones, you too, are to imitate this woman and **pray always from your heart.**

You cannot say you pray, **unless you pray from your heart.**

Let your **heart be united to God through love and prayer!**

I love you, little ones, and ask you, again, **to pray the Rosary from your heart with fervor and grace.**

Please know that I love you and that I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. *(She's smiling.)*

As always with my message on prayer, please try to live it the best you can.
