

Message of Prayer from MARY, MOTHER AND QUEEN OF THE DIVINE WILL  
For ALL WHO WISH TO DEEPEN THEIR SPIRITUAL LIFE  
July 13, 2002 through Chris Courtis, a visionary in Maryland, U.S.A.]

I wish to give a message for all of you to pray for the sick. Pray for the sick. Pray, pray, pray. My dear little ones, make sacrifices for sick people. I am your living, loving mother and I bestow graces and blessings on the sick, and through my intercession and through your prayers, Jesus, my Son, will cure many, but they must believe firmly that they will be cured, and it is important that both the person who prays for the sick and those who receive graces, such as the sick, to pray and to fast, both of them, and to say over and over to my Son, "My Jesus, Lord, I believe that through your love you will heal me. My Jesus, my Lord, I believe in you and I trust in you." That is the prayer for sick people to say.

Have confidence in my intercession and Jesus' healing power. He loves you so much that He takes upon Himself the infirmities of the world. He loves you, dear little children. Be united in His grace and continue to pray and make sacrifices for sick people. Yes, dear little ones, pray and make sacrifices for sick people, for those who are sick, dying, and terminally ill are in great pain and suffering. Sometimes they cannot even see the value of their suffering, or sometimes they cannot even know that God exists, or they ask, "Why me?" Pray, pray, pray and make sacrifices for sick people that they may see the blessings of the Lord and that they may be graced with Jesus' healing strength and power.

I am with you and I intercede before God for each one of you, but it is important that you pray and cooperate with the graces and the messages that I am giving to you. I love you, my dear little children and I invite you this month to pray and make sacrifices for sick people. Anything you do, and all you do, can be offered up as a sacrifice, your whole day. All you need to do is consciously make the decision to openly and willingly make the sacrifice before God. Claim that what you're doing is a sacrifice. Claim your day as a sacrifice and Jesus will accept it. And for sick people, make sacrifices and God will heal them, but you must believe and so must those who are sick.

Bless you, my dear ones with the intentions to make sacrifices and to pray for sick people for they have my love and they are mostly in love with God. That is why He gives them their burdens, so that they can be drawn closer to Him. (*She's blessing us with the Sign of the Cross.*) In the Name of the Father and of the Son, and of the Holy Spirit.
