

Message of Prayer from MARY, MOTHER AND QUEEN OF THE DIVINE WILL
For ALL WHO WISH TO DEEPEN THEIR SPIRITUAL LIFE
May 13, 2002 through Chris Courtis, a visionary in Maryland, U.S..A.

My dear little ones, today I invite you to pray the Rosary for peace. Over 85 years ago, I did appear in Fatima, Portugal, asking three little shepherd children to pray the Rosary every day and make sacrifices for peace. Today, 85 years later, I ask for the same request. Pray the Rosary every day and make sacrifices for peace in the world.

Dear little children, surrender yourselves to me and live my messages that I have already given to you in Fatima. Pray the Rosary every day and pray also that there will be more virgin souls who willingly accept God's call, an invitation to pray for peace and offer their lives up for the service of God and for their brother and sisters. Little children, pray your Rosary for those souls who are in need of your help and love, especially for the youth. Pray that there will be more virginal souls.

I talk about this for two reasons; one, being a virgin means being free from the sin of sexual desires and two, being a pure virgin in your soul, meaning being free from the sin of the outside world. There is a connection. Both go hand in hand. You cannot say you are a virgin physically without being one spiritually in your soul, in your mind, and in your heart. I ask you to pray for both, that there be more virginal souls who are dedicated and consecrated to me through my Immaculate Heart.

It is important that the United States of America heed this special request that I give, for with more virgin souls who pray together with me in unity, the triumph of my Immaculate Heart will come through little children and the virgin souls. I'm calling all people to have a devotion to virginity. My holy virginity was not only one of physical means, but that of spiritual, mental, and psychological. I ask everyone throughout the world to be as I am, a virginal soul consecrated to God. Let your soul, your heart, your mind and body be united to that and that alone. It is in that state that you will be purified and be as one of the saints in Heaven interceding for those you love in this life and in the next. Pray your Rosaries and offer your prayers up for the salvation of souls so that there will be more true virginal souls. I ask this as my request for America and the world.

I am praying with you and I intercede for you before God. All I ask is that you do your best and try to live the Messages on Prayer the best you can. I give you my blessing, my motherly blessing of love, peace and joy. In the Name of the Father and of the Son, and of the Holy Spirit.
