

Message From **JESUS, LORD AND LOVER OF THE DIVINE WILL**  
For THE WORLD

April 13, 2000, through Chris Curtis, a visionary in Maryland, USA

My beloved children:

Do you know who I am? Do you hear My voice?

**I AM JESUS, LORD AND LOVER OF THE DIVINE WILL.**

Why, my children, do you turn away from Me?

Oh, My children, you are so sinful!

This nation – my heart is in mourning.

My little and lost children (*Here's the Mother of God, She's crying*)

My Mother stands with you. She is mourning for you!

Please, **hear and heed this urgent request, for yet am I able to help you.**

It is time, my little ones, to gather about Me now, at the foot of the cross, and **plead for mercy.**

It is time, my little ones **to wake up your faith, to follow Me, and to live in My Divine Will.**

**This message I give is for all people of all the world!**

You need to **make reparation.**

You need to **pray.**

Please, little children, my Mother is suffering greatly.

**I love you so much!**

(*Now He's looking over at Joan*)

Yesterday, I heard the words which Joan did say, and I am pleased.

She said this, my children. Listen, she said, "**We are more important to God than we think.**"

And we are, you all are.

My message and my Mission is not to condemn or to judge, but to **simply love you** and tell you

**the whole world needs to make reparation.**

Give up things you don't need.

Fast if you need to.

Think of my blood that flowed from the cross.

**Make reparation, make reparation, make reparation!**

The times are very short.

**Please, the world needs great reparation to avoid what may come.**

When you leave, **know that I love you.**

**Learn more about the Divine Will.**

Ask for simple things, not things that you do not need.

**Be humble like Me.**

To the world, I say, 'Even though you may be steeped in sin, **I still love you.**'

My Mother is crying for you to return to Me and to God, My Father.

Right now, my children, I shall bless every one of you.

As I already said, My Mother shall bless everything that you have with you and the roses later. Right now I bless each one of you.

**I love you.**

Be kind to Me for **I am your Lord.**

Treat Me well and I will treat you better than you ever thought a God can.

Make the Sign of the Cross and I will depart.
