

Message from **JESUS, LORD AND LOVER OF THE DIVINE WILL**
For **THE WORLD**
December 13, 2000 through Chris Courtis, a visionary in Maryland,
USA

My dear and beloved children of My Father's earth,

Today is the day of peace, as the whole month of December is the day
of peace and

thanksgiving to God, your Father Most High.

My little ones of My Father's earth, do not deny this month as the day of
My birth,

for if you do, then I will deny you before My God and My
Father in heaven.

This is a special time, **a time when all humankind should be seeking
mercy, forgiveness, and frequent reconciliation in My Most
Sacred Heart.**

My Sacred Heart burns with unity and love this very month.

Do not forget, My little ones, My Mother's heart formed not only My
body, but also

My heart from which it came forth.

My dear children, be respectful of this, and this Christmas, also honor
My Most Sacred Heart.

Rather, because it is Christmas, I am asking you to look past My
wounds and see My

love that I bore you in My most human and most wonderful and
merciful of

all hearts, My Most Sacred Heart.

Do you not understand, My children, the love which I bore you as the
Christ Child,

the love in which I came for you?

What I have just revealed to you on the earth is one of the most
profound lessons

that you will find this Christmas, for in My heart, it is all mercy
and love, and peace

which I give you out of one reason, **My love**, which I bore you
in My mother's
womb.

My dear children, I bless you this night.

Receive My words, and live the words I speak to you about My Sacred
Heart on

Christmas morning.

For those who dwell in the silence and depths of My heart

will be united to Me in peace, and

will be carriers of My peace throughout all generations.

This Christmas, beside your nativity scenes, and beside Me, your little
baby Jesus,

place a picture of My Most Sacred Heart for there all my love
dwells

and beside the two images, you shall just begin to understand
the mercy and love and the depths of My love that I give to you.

My children, My children, I can say no more words on My love for you,
except this Christmas, **be united to My Sacred Heart.**

Reveal to Me everything that is bitter and sweet,
and give Me all the glory that you would give Me in every day
by honoring My birth and My love which dwells in My heart.

I bless you, my dear little children,

I bless you; I bless you with peace, true peace, and love that come from
My heart.

That is My message for the world.

Be united in my heart, and you shall be united in my birth.

Now I shall bless you.

As you make the Sign of the Cross, I shall depart.

I shall also be with you whenever you pray.

In the Name of the Father and of the Son, and of the Holy Spirit.
