

Message from **MARY, MOTHER AND QUEEN OF THE DIVINE WILL**

For THE WORLD

**April 13, 2000** through Chris Curtis, a visionary in Maryland, USA

**My dear little children,**

Praise be Jesus, your Christ! (*Oh, she's dressed all in white!*)

Look upon your Creator, your Savior upon the cross, **and pray for your redemption and for the whole world.**

Little children, **the Cross is given to you out of your Savior's love for you.**

Listen! **He died for love of you!** (*Oh, she's bursting in light!*)

Little children, **the Cross is love; the Cross is life!**

This Easter should be joy for you, and sorrow too. Your Savior has died because He

loves you so much, but **He lives because he loves you so much too.**

My dear children of the Americas, **return to the Cross, return to the Cross. Please,**

**return to the Cross!**

You will **not** find **redemption**. You will **not** find **forgiveness** or **hope** without first

turning to the cross. (*She's all dressed in white!*)

Look up towards Heaven and rejoice for your redemption draws near.

Little children, **behold the Cross of your Salvation!** (*There's a cross on her heart*)

Yes, little children. That is where the Cross should be placed, not in the center of

churches, not in the center of your homes, **but in the center of your heart.**

Little children, America needs to return to the Cross. There **is forgiveness and love**

**waiting** to be given to you through the Cross.

When you go to Mass this Easter, look at the Cross and **pray that it may be pressed**

**upon your heart.**

I **love** you, little children.

Right now, I shall bless each individual rose with a special grace and blessing. The rose

that you will receive is a grace and blessing for you alone. (*Oh, wow! She's going*

*around to each rose!*)

Little children, I prefer roses above all flowers. Look at your Rosaries and look at your

roses. Do you notice the similarity?

These roses that I give to you and these roses that you have; these are for you.

Remember this, little children, that **every Rosary that is said is another rose which I**

**lay at my Son's feet.**

Now I shall bless you and each individual, each flower, again, and everything you have with you – the statues, Rosaries, scapulars, everything that you have on, everything you have with you and you, yourself, I am blessing. As you make the Sign of the Cross, I shall bless you in the Name of the Father, the Son and the Holy Spirit. As I make the Sign of the Cross again, I shall depart, but I shall be with you every time you are in prayer, not just for you alone, but for everyone here. Thank you for responding to my call. Go, my dear little angels, in the **peace of God.**
