

Message from **MARY, MOTHER AND QUEEN OF THE DIVINE WILL**

For THE WORLD

December 13, 2000 through Chris Courtis, a visionary in Maryland, USA

My dear little children,

Praise be Jesus!

My dear children, I wish to talk to you this month **about how God prepares**

**the way for my Son, and
how He prepares the way for you.**

God always knew that He wished His Son to be born in the world, and my Son always wished to be born in the world, and so,
**He created me immaculate from my conception
to bring forth the Savior and Redeemer of your souls.**

My little children, God did everything He can to prepare for my Son's birth. He chose a place fitting for His birth,
steeped in humility, poverty, and
joy, peace, and love.

Know, my little children, more grace was found in the stable, in the manger in Bethlehem, than in
any other palace in the world. That is the palace of the world, the stable, the manger at
Bethlehem!

I ask my earthly children to join me in prayer there
so that God may bless you **with love** and **with respect for the
dignity of human life.**

My dear little children, God has done everything He can to prepare for your births
and for your lives.

He has given to each human being in this world, an equal opportunity
to seek His Will, and
to seek Him in this life.

Those who turn away from Him today will turn far away from Him tomorrow into Hell.

My little children, God has blessed you with life and has given to you equal
grace and
opportunity.

Pray! Pray! Pray, especially now for the end of abortion.

My little children, do not think that even though you have a president who may be accepting of
life, that prayers are not needed.

Prayers are always needed so that human beings have more respect for the
dignity
of human life.

Abortion, my dear little children, is murder!

God has prepared the way for each one of you with the greatest care and ease as He did
for my infant child, Jesus.

Unfortunately, God cannot protect these innocent ones, or even you, from

the choices of your

life that you make daily.

If you choose to abort my little children, they shall stand in heaven at your judgment.

I pray thee that this will not happen to you,

But I will say that this nation will be judged on the murders it has committed within these United

States and the innocents that have been taken away.

My little children, as I speak of respect for the dignity of human life,

I also speak of **fellowship and loving thy neighbor as thyself.**

My children, many people feel that it is easier to love those who love them.

I know it is easier to love those who love you.

It demands great love and respect from God to love each other as God loves you.

Pray that God may give you the grace to love one another with His love and mercy, unconditionally, and free for all.

You cannot love your fellow man without loving as Jesus loves.

You also must love the stranger.

I also know how easier it is for you, my earthly children, to love those you know

than those you don't know,

But loving each other does not mean that you have to know each other to love each other.

Smiling, giving a friendly wave, talking to somebody whom you do not know for just five

minutes a day, showing love and mercy to those you do not know, are your strangers

and are ways to convert others to the Catholic faith.

My little children, be united under God in love and only love,

And pray for an end of abortion, but particularly now, my children, pray that women on earth

may see the blessings that grow within them day to day.

It is truly a gift of life and only my precious mothers can bear the children.

I also wish you to pray for the fathers who walk away from these poor babies,

for the fathers who walk away during abortion, and

for those who walk away after they are born.

Pray for God's mercy, that He touches the hearts of both men and women who have

children and who are also considering abortion.

Know that I love you all, and I bless you.

Take to heart these words, my little ones, and

Pray! Pray! Pray with all your hearts

to love others as God loves you, and

to pray for an end of abortion.

However, right now, I bless you.

I bless all that's on the altar, by the altar, near the altar, everything you have, everything

you have on, everything you have with you, everything in this room

I am

blessing. I do not miss a single thing and I do not miss a single person.

I love you, my dear little children.

If you continue to pray as I have asked you, this truly will be a Christmas to remember.

I shall bless you now in the Name of the Father, and of the Son, and of the Holy Spirit.

Now I shall depart, but I shall be with you whenever you pray, and especially on Christmas Eve and Christmas Day.

May the peace of my little Jesus be with you all.

Thank you for responding to my call.

Go in the great peace, mercy, and love of God Most High.

(Mary held the baby Jesus in her arms throughout the entire message.)
