

Message from **MARY, MOTHER AND QUEEN OF THE DIVINE WILL**

For THE WORLD

December 24, 2000, 5:40pm through Chris Curtis, a visionary in Maryland, USA, at home.

My dear little children,

Praise be Jesus!

My dear children, as the year 2001 approaches, you must continue to be obedient to what

I and my Son say.

Very soon will God no longer permit me to come and give you messages.

I have come today **to ask the whole world to live the messages of Fatima.**

God is permitting you to receive great graces, and
you are not aware of it,

nor are you accepting the graces that God is giving you.

Do not close your hearts to the graces that God is giving to you,

for this is a time of **grace and thanksgiving;**

for **this is the year of my glorious reign as Queen of Heaven and Earth.**

As God sent me into the world to give birth to God the Word,

so does He send me into the world today to prepare you for my

Son's Most

Glorious **Eucharistic Reign** which is about to come.

It will come when **Satan is cast out,** and

when my children truly, in their hearts, **accept the true presence**

of Jesus in

the Most Holy Eucharist and the Mass.

The Mass, little ones, is the greatest joy!

For in the Mass is where you can receive Jesus, not as a just judge, but

as your Merciful Savior, and after the Mass,

you are transformed into my Son's vessel of mercy.

Also, the Mass is where **God the Father** is offered to you in complete love.

Receive my Son, and you also receive the Father who has sent Him into the world.

Also, never stop praying your Rosary, and

pray for the Pope, the bishops, the cardinals, and priests.

Pray that they may be one and,

as one body in Christ,

that they ask for the gifts and enlightenment from the Holy Spirit.

Continue to pray and fast so that God may continue to dwell in you after Mass.

I only wish for you to be closer to the Father and to my Son, from whom all graces

and love come forth.

I am giving to the world my love and my Immaculate Heart

for all who wish to know this mother.

They must seek refuge there.

Let the peace which my Son and I give to you be sufficient for you.
If you live peace today, then you shall live peace tomorrow.
My motherly message is PEACE, PEACE, PEACE!
Let there only be peace for God and for one another.
My motherly heart cries out for all of God's children to receive His true
peace.

This year that is coming up shall bring about many changes and
confusion,

especially for you in the Americas.

It is so important now, more than ever, my little ones,
that you bask in His living presence, which is His peace, and
become strong enough in peace to overcome the hardships that are
coming

to you.

I love you all with very much peace and love.

And I bless you in the name of the Father, and of the Son, and of the Holy
Spirit.

Plus, I take your petitions to my Son's Most Sacred Heart.

Know that, as I make the Sign of the Cross again, I shall depart,
but I shall always be with you all when, and especially, when you
pray.

Thank you for responding to my call.

Go in the great peace of God Most High.
