

Message from **MARY, MOTHER AND QUEEN OF THE DIVINE WILL**
For **THE WORLD**
July 13, 2000 through Chris Courtis, a visionary in Maryland, USA

My dear little children,

Praise be Jesus!

My dear children, **YOU MUST STOP OFFENDING GOD!**

My children, you cannot continue on the path that you are on.

I have said that **sin breeds sin. Hate breeds hate, but you have denied this message.**

My little children, please listen to me.

As long as you continue to hate, you allow Satan to guide you. Hate brings Satan to you.

That is why I have asked you to **RETURN TO LOVE! - to imitate my love and that of**

Jesus!

But you and the world have forgotten this.

Little children. **My Immaculate Heart will triumph because it was born in The Divine Will in love!**

Therefore, **in love, it shall conquer!**

Little children, I'm asking the whole world to **STOP SINNING AND RETURN**

TO GOD!

Satan is trying to deceive you! Can you not see?

Freedom of speech, freedom of expression : people have used this to say whatever

they want. They have used it even to justify speaking against my Son and me.

Your rights are gift from God.

They must be cherished. But they also must be respected.

Little, children, no nation in the history of the world is consecrated like the United States.

No nation in the whole world has the loving laws that you do - the right to freedom of speech, the freedom of happiness.

Little children, **pray for those who do not have this.**

And also know, as blessed as you all are, **you are in grave sin.**

"Freedom" has led to abortion.

"Freedom" has led people to say and do whatever they want to.

People say unto me every day, "My mother, do I not have the right to do whatever I want do?"

And to the world, I say, **"No, you are children of God. You are created in His image.**

You are my beloved children." (She's crying, Oh God!)

Little children, your bodies are temples. If you body is a temple, then it holds the living

Christ within you.

Therefore, my dear children of the world, **you have no right, for you serve God and not**

Satan.

But there are people now who are making the choice to follow Satan and to deny God.

No one else is your creator, little children!

No one else loves you the way God, my Son Jesus, the Holy Spirit and I do.

Please, I'm asking for dignity to be respected and to be given to each one of my children.

Realize that you are children of God!

This places a great responsibility on you, on all of you!

Respect yourselves.

Then you can respect others.

Turn away from sin by pure love.

I'm calling the world one last time to look at the virtues of my son Jesus' heart and my

Immaculate Heart.

There are graces and love waiting to be found in them. (There's her Immaculate Heart!)

Fight Satan through love and prayer!

Fight Satan through love and prayer!

Fight Satan, my dear little children of this world, by LOVE and PRAYER.

If you continue to offend God, and if you continue to sin, then you will have a hard time

finding Him

The longer you continue to fight me and deny God, and the longer you continue to

allow yourself to be in serious sin, the deeper, and deeper, and deeper you will

go into Hell.

REPENT! REPENT! REPENT AND RETURN TO GOD!

Listen children, **THERE IS ONLY ONE GOD!**

THERE IS ONLY ONE WAY - THROUGH MY SON, JESUS!

Be respectful of this and return to God.

I love you all and right now, I shall bless you.

As you make The Sign of The Cross I shall bless you, all that's on the altar, everything you

have on, everything you have with you - I shall bless everything here.

After you make The Sign of The Cross, I will depart, **but I will be with you whenever you**

pray.

In the Name of The Father, and of the Son, and of the Holy Spirit (*She's blessing us.*)

Thank you for responding to my call.

Go, my dear little children, in the great peace of God (*And she's pointing to Heaven. There*

she is. There she goes.)
