

Message from **JESUS, LORD AND LOVER OF THE DIVINE WILL**
For THE WORLD
February 13, 2001 through Chris Curtis, a visionary in Maryland, USA

My dear and beloved children of My Father's Earth,

I love you and I call you to imitate the virtues of My saints **by loving all My children as I love and cherish you.**

My little ones, you need to know that before you were born, **I alone did go forth before you and laid every cross in your life before you.**

For this reason alone are your births beautiful in My eyes.

Before you were born, I loved you and I knew you.

I called you out of My love and you came forth.

Know that this is a mystery of faith that you and **all My children were meant to be born.**
ABORTION IS MURDER!

HEED THIS REQUEST AND STOP KILLING MY INNOCENT BABIES!

I love you **all**, and I am especially calling you today **to live a life of charity and love.**

Charity sets you free from selfishness and can show you that love is the greatest gift that can be given. Love and care for all by giving them food, clothes, shelter and words of wisdom and comfort.

Know My love can conquer all, and through My love you can be the extended hand of love and mercy that so many of My children need.

I am with you **always.**

I was before you were born, and I prepared the way for you and every cross in your life.

Rejoice over the Cross and pray that you may be more caring and loving to all, even the stranger.

For as I have said, "the least thing you do to these, even so you have done it unto Me."

I **love** you **all** and I bless you.

Please make the Sign of the Cross and I will bless you, and I shall depart.

Peace be with you **all**
