

Message from **JESUS, LORD AND LOVER OF THE DIVINE WILL**
For THE WORLD
October 13, 2001 through Chris Curtis, a visionary in Maryland, USA.

My dear and beloved children of My Father's Earth,

I come today to **invite you back to your living God.**

God My Father loves you and gives you great graces.

Turn back to Him and erase the pattern of hate and violence and turn back to My Father and Me.

My little ones, there is so much hate in people's hearts that I can no longer see the love that is behind them.

Hate begets murder and murder begets death in Hell!

My dear little ones, **REPENT! REPENT! REPENT AND TURN BACK TO MY FATHER BEFORE IT IS TOO LATE!**

REPLACE HATE WITH LOVE AND FUEL LOVE THROUGH PRAYER AND MERCY.

You do not know what awaits you. You do not know what is coming upon this world, or what will come in the next if you are not sincerely seeking a union with God.

My dear beloved ones, I will not, I cannot allow you to continue on this path that you are on. America is a selfish country and your ideas and your ways of life have consequences whether you as a society and as a nation fail to see it or not.

PRAY! PRAY! PRAY!

I blessed the Americas because it was founded on **RELIGIOUS** freedom first, and then freedom.

Freedom cannot exist without God, without Me, without the Holy Spirit.

FREEDOM CANNOT EXIST, AND WILL NOT EXIST, WITHOUT YOU RETURNING TO GOD!

True freedom, My little ones, is religious freedom, the freedom to choose Me, to hate Me, to mock Me, to laugh at Me, to spit at Me; or to love Me, to embrace Me, and to make My dwelling within you.

These are your choices.

Return to freedom, to freedom of faith!

Love Me through the Cross!

Accept the gifts and suffering I give you as a sign, not only of purification, but as a way to redeem lost souls.

Many people who have returned to the church have **stopped praying.**

You cannot, and will never, have an intimate relationship with Me, your Lord and Lover of The Divine Will, **UNTIL YOU PRAY!**

You may think of all you want to get around this. You may do all you want to get around this, but in the end, there will **ONLY BE YOU AND I BEFORE MY THRONE.**

I love you, My dear little ones, and will not speak to you of famines and droughts and floods, and epidemics of every kind that will be coming upon you, **because there is no time.**

The time at hand to **PRAY AND REKINDLE YOUR HEART IS NOW!**

There is darkness over the face of the earth for those who will not accept My peace and My love, and My joy that I bring them.

-more-

There will be a time when war will rage.

War is raging already on earth because Satan is here.

My mother's Immaculate Heart will triumph!

Where will you be with her?

Will you be with My mother?

For when you deny her, you deny Me.

When you love her, you love Me.

When you accept her, you accept Me.

When you honor her, you honor Me.

The two hearts are united as one, but yet My people do not understand this.

Pray and turn back to Me! Let Me live in your hearts!

ALL I HAVE EVER WANTED IS TO LIVE IN YOUR HEART!

I bless the Americas with wisdom to know what is right and what is wrong, but whether you DO what is right is still up to you.

The song, God Bless America, God has blessed America.

God has given to you riches beyond your imagining and true freedom of faith.

You should be more accepting of those who don't have true freedom, and pray for their true freedom in faith and in hope.

I love you, My dear ones, and bless you, but before I bless you, I shall come down and pray.

(He went around to everybody here, and He took something out of everybody's heart. He says that these are the prayers and petitions, and that He will answer them and also present them to God His Father. But He says, "Pray for those people whose hearts have waxed cold. Pray for peace within their souls." He will bless us now. He says,)

Now I shall bless you. I shall bless you with the Sign of the Cross and I shall depart and return to My Father. Please know that with this blessing, I bless everything that is here and everything in this room, and also, *(He's talking to me.)* I wish you to make the Sign of the Cross the way you make it when you attend your Eastern Orthodox Church (Ukraine Rite) and also the way you do when you enter a Catholic Church. Through the Sign of the Cross and blessing I shall bless both churches today. *(The Eastern Orthodox Church signs The Holy Spirit right to left and the Catholic Church, left to right.)*
