

Message from **ST. JOSEPH**

For **THE WORLD**

June 9, 2001, 5:35pm at home through Chris Courtis, a visionary in Maryland, USA

Praise and blessed be God Most High through His Son, Jesus Christ.

I am he who loved poverty.

I am he who was married to the most holy and perfect Virgin Mary.

I am the Saint of all Saints.

I am St. Joseph, the loving foster father of Jesus.

I come today, sent by God, the Holy Trinity, and by your loving mother, Mary to
deliver a **very important message for all of mankind.**

While I lived on the earth, I was quiet and hidden among men.

Now today, in this world, in this time, I am **compelled to try and help you.**

I come with my spouse, and your mother, the Blessed Mother Mary.

Wherever she is, I am also with her.

So faithful am I to my spouse that I have abandoned all things to be with her.

You have heard her warnings. You have all heard her speak the words of her son Jesus,
who is Christ.

Now I, the most quiet among men, am ready to speak.

First, I wish to say, that if this world is to be spared from its many calamities that are
coming, it **must restore the family to the proper place.**

Let all men know that, once a child is conceived, you are forever the head of that child.

You are **forever its parent** and guardian in this life, and in the next, you take on that of a
watchful angel always guarding that child forever.

To save the family unit, you must also return to family prayer.

Family prayer is everything!

It is through this time that the child learns what it means to have true faith.

The things that you teach your children today are the things that will impact on his/her
future tomorrow.

Think of it. What are you teaching your children?

If money is all you care about, then so will your children.

The mistake of a father or mother will also become that child's mistake too.

Thus it is called the pattern of repetition.

The only way to break that pattern for good is to **surrender to God**, who is Jesus, and
pray, pray, pray.

Obedience and understanding are the keys to being a good, loving and responsible
parent.

Teach the children of this world the **importance of prayer, faith, hope, charity, and most of
all, love**, not human love, but **God's love.**

Only in this way will the family unit be restored and blossom as a new hope and a new
beginning before God, your Creator and your Savior.

My message is very simple.

**A mother and father who are filled with love for God and for
one another will have children who are also filled with love.**

-more-

Please return the family unit to its proper place.

Return the family unit to God.

It is only through this that you will all be saved.

To the world, I also wish to say, **come to me**, the lonely carpenter who wishes to intercede
for you.

I am the guardian of all virgins, and all the demons in hell fear my name .
I will protect you from all attacks of the evil one when you pray and ask me. Just ask.
Just as Mary has graces and blessings to shed upon you, so do I.
Come to me, my little ones, for **I wish to be your guardian and foster father.**
I am the humble carpenter sent from Heaven to ask you all to **return to the living God.**
I, St. Joseph, the most loving foster father of Jesus, bless you all with the Sign of the Cross
and in the Name of Jesus Christ.
In the Name of Jesus Christ, I extend to you His peace and His love.
In the Name of the Father, and of the Son, and of the Holy Spirit. Amen
Thank you for your response,
Ad Deum
