

Message from **OUR LADY OF FATIMA**

For **AMERICA AND THE WORLD**

**August 24, 2001** through Chris Curtis, a visionary in Maryland, USA

**My dear little children,**

- Praise be Jesus!

My dear children, today I invite you all to **live peace.**

Peace, peace, peace, and only peace, my little ones.

Let the peace that comes from God reign in your hearts.

In 1917, I came to Fatima, Portugal requesting prayer, penance, and eucharistic atonement to bring peace to the whole world, and my request went unattended to.

In 1920, I came under the title of Rosa Mystica requesting again, prayer, penance and sacrifices, not only to bring you God's peace, but also to save mankind, but then, again, my request fell on deaf ears.

So I appeared in 1961 in Garabandal, Spain saying that if mankind did not repent and better itself, God the Father would permit a great chastisement, but the world continued steadily down its moral decay cutting off any hope of God's redeeming love to reach His creatures.

So in 1981, I appeared in Medjugorje as Our Lady Queen of Peace with the same message that I deliver today.

In 1993, I chose Emmitsburg, Maryland as the Center of My Immaculate Heart.

In 2000, I came here to Gaithersburg, Maryland in unity in, and under, God's Divine Will.

My little ones, my requests have been the same throughout the centuries, and that is, **if you wish to live peace, then you must return to God, Jesus, and surrender to Him your entire self.**

Be open to the love, mercy, and joy that Jesus and God the Father wish to give to you.

Then in turn will you have true peace that comes from God.

It is also necessary, my little ones, to use all the sacraments you have available also, to live and preserve peace.

My little ones, you forget that the Rosary is also a sacramental to obtain true peace.

Pray! Pray! Pray your Rosaries and return to the sacraments of the Church, which are the sacraments of God.

I have come as Our Lady of Fatima to ask you to live in God's peace and to love one another as Jesus and God the Father love you.

When you have a pure and loving heart, peace will reign within your heart and soul.

So, my dear little children, purge your heart from all that is unclean, and return to the peace, love, and mercy of God by going to the Sacrament of Confession.

Receive, my little ones, this peace and love that He, my son Jesus wishes to give to you by prayer, penance, sacrifices and Confession.

Remember this, my little ones, **those who will preserve their peace today will live their peace tomorrow.**

Please know that I have blessed this cross, (a large San Damiano cross of St. Francis of Assisi on the altar) not with healing power, but with **peace** which so many people are looking for.

Peace flows from the Cross into your hearts.

That is why I bless the San Damiano cross with the blessing of peace.

Please also know that the Sign of the Cross is a sign of God's unconditional peace.

I love you all, and I bless you.

Plus, I take your petitions to the Sacred Heart of Jesus and also to the Sacred Heart of

God the Father.

Now I shall bless you all with the Sign of the Cross.

I bless everything here. Everything you have with you, I am blessing.

I bless everything that is on the altar, by the altar, and under the altar I will bless, and also everything in this room I am blessing, in the Name of the Father, and of the Son, and of the Holy Spirit, Amen.

Now as I make the Sign of the Cross again, I shall depart. I shall depart, yet I will be with you all when, and especially, when you all pray.

Thank you for responding to my call.

Go in the great peace, love, and mercy of God Most High. Ad Deum.
