

Message from **MARY, MOTHER AND QUEEN OF THE DIVINE WILL**

For THE WORLD

July 4, 2001 at 7 am through Chris Courtis, a visionary in Maryland, USA

My dear little children,

Praise be Jesus!

My dear ones, today I have come to deliver a very special and **urgent message** for all humankind, and that is, **seek the virtues of The Christ Child.** Imitate His littleness and virtues

If this world does not humble itself before the Child Jesus in all His love, then there will be much more to suffer.

It is **not enough**, my little ones, to simply be good. For as Jesus has warned you, those who will not become as small and humble as a little child will not enter the Kingdom of God.

Those who wish to become the greatest must become **the smallest of them all.** (*Then I saw souls falling into the fires of Hell and demons, half human and half animal, were torturing these souls. Then I saw the Heavens open and a little light ray beamed on me and I saw myself in the just light of God. I saw within myself that I needed to be more humble and small and learn how to be like St. Therese of the Child Jesus.*

Then I saw St. Therese look up to the Most Holy Trinity. She was all bathed in light in her Carmelite outfit. Then Mary continued with her message.)

My dear children of the Americas and the world, **time has run out!**

If America's people do not humble themselves before God as a humble and little child, then will you all suffer in your own greed.

God is about to reveal to you one of the **greatest graces in human history** and that is **The Illuminada.**

No one can stand in the just light of God but, with **humility and littleness of the Child Jesus**, you can have true peace and, in great love, overcome the judgment of God.

For when He sees you, He will also see the littleness and virtues of the Christ Child which are **purity of heart, love, peace, mercy, compassion, humility and child-like confidence radiating in your heart.**

Then instead of that great judgment, God will say to you, "Well done, thou good and faithful servant."

Let the holy, little Child of Bethlehem reign in your hearts.

God loves you all with an endless and pure love, but **my message is very serious.**

If the people of the world do not stop offending God, you will see great disasters of every kind.

This nation will suffer for the many crimes committed against my little, innocent ones that are being murdered in their mother's wombs. (*She was crying.*)

No one is exempt from the just judgment of God.

If you choose to live apart from God, then so shall this nation fall apart from within.

God has given to you many signs from Heaven and you fail to see that God wants you to amend your ways.

The warnings have been given and time has run out!

I am warning you. **The longer you fail to fly unto His mercy, the longer you will suffer for your lack of mercy.**

Return to the Child Jesus and live in His virtues, and then, and only then, will the world be truly saved.

Jesus the Child will reign as the true Prince of Peace and all will be reconciled by Jesus as the Christ Child.

Please listen and **return to God through the virtues of Jesus as a little child.**

I bless you all and I take your petitions to the Sacred Heart of Jesus.

Peace be with you. Peace be with all of you.

Thank you for responding to my call. Ad Deum.
