

Message from **MARY, QUEEN OF PEACE**

For **AMERICA AND THE WORLD**

September 13, 2001 through Chris Courtis, a visionary in Maryland, USA.

(Due to technical difficulties, Mary's messages on September 13, 2001 were not recorded. She then reappeared to Chris on September 15, 2001 and gave the same message for All Who Wish to Deepen Their Spiritual Life, but chose to give a revised Message to America and the World. She said,)

“The message on the 13th was a call to repent and better yourselves and to unite in prayer. Now my message is simpler. I wish to add some new words. Things have changed and I wish with all earnesty to address the concerns of this nation and the world. That is why God is permitting me to give another message, one more in keeping with the times as they are now, up to this point.” (See [Mary's Message to the World on September 15, 2001](#))
