

Message from **MARY, QUEEN OF PEACE**

To AMERICA AND THE WORLD

September 15, 2001 through Chris Courtis, a visionary in Maryland, USA

(She says she will not give the same message she gave on the 13th. She says the message on the 13th was a call to repent and better yourselves and to unite in prayer. "Now my message is simpler. I wish to add some new words. My dear little ones, do not be distracted or be discouraged because of this. Things have changed and I wish with all earnesty to address the concerns of this nation and the world. That is why God is permitting me to give another message, one more in keeping with the times as they are now, up unto this point.")

Praise be Jesus!

My dear little children, praise be Jesus!

My dear children, today **I invite you to unite and pray.**

Be united through the mercy of God, and join one another now by surrendering to God's Most Holy Will for you.

Unite, little children, stand strong in your faith, and pray, pray, pray!

Dear little children, **unite and pray for peace.**

God is here with you.

Though Satan wanted to attempt to destroy your nation, His attempts have failed.

God has given you a free will, and He has blessed you with the choices in your life.

On that most terrible day, people chose to unite in love for one another, for their brothers and sisters in Christ.

For that moment in time, you were not united in hate, only bonded by love for one another.

And as human beings, you cherished life.

You cherished each other as human beings.

For that one moment **the dignity of life was restored to its original creation, to God the Father.**

Satan's plans were destroyed.

In this situation, **people retaliated only in love, mercy and prayer.**

People began to pray and pray, and churches were opened and people came with special prayers and petitions, and God heard your prayers.

Now is the time, dear little children, **to stand firm in your faith and fight evil.**

Dear little children, **now is the time to cast out Satan from your hearts.**

(She's standing silent. The scene is changing. She's on the globe of the world. She's still dressed in the same dress, the same everything. Her hands are radiating light and the Cross is behind her, but she says now,)

God has given to you this opportunity **now** to cast out Satan.

It is your choice, little children.

Now you have the free opportunity to **get rid of Satan and let the Eucharistic reign of Jesus come now, or come later.**

My dear little ones, if you chose later, you will have much more to suffer.

That is why, more than ever, I invite you to be united to one another through love and prayer.

Stand strong in your faith and overcome Satan.

Now is the time for prayer.

Satan is not yet vanished.

Though your faith may become stronger now, **now** is the time to **use your faith** to completely disarm Satan, for he will attempt to do you and this nation harm.

You can now, at this time, **ultimately eliminate the chastisement or lessen the chastisement that Satan wishes to hit you with.**

Pray, dear children, that this does not happen.

Pray that you may be able to withstand the time of darkness that Satan wishes to pull over your country.

But God's unconditional love and mercy have granted you this time of grace **because of your own free will.**

You had the choice to choose to mock God, hate Him, or to return to Him, and for that instant **you were united in prayer and returned to Him.**

Continue your journey with faith and perseverance, and know that whatever choice you may choose, now or later, to cast out Satan from your world, eventually **I will be victorious, and my Immaculate Heart will triumph and Satan will be cast out for good, and an Era of Peace will be given to the world!**

Bless you, my dear little ones, bless you, and I bless the world.

(I see the Holy Trinity, God the Father, God the Son, and God the Holy Spirit. I see the Blessed Mother standing in their midst and I see St. Joseph on the left side. They speak as one.

They say over and over,) "Let the peace of God reign in your hearts! Let the peace of God reign in your hearts! Let the peace of God reign in your hearts! Now is the time to expel Satan

from the earth. Dear children of the earth, **unite and pray!**" *(I do not understand what is going on. The Blessed Mother, everyone is speaking. They say over and over to the world),* "Satan, we forbid you and we bind you. Do not interfere with this nation anymore. By the free-will choice of these children that chose to follow God, the power of Christ compels you! The power of Christ compels you! The power of Christ compels you! *(It's an exorcism prayer. They're exorcising Satan from the United States!)*

Dear children, **your faith** has expelled Satan and has given to you this time of grace.

Do not underestimate this most important time in human history.

Now is the time, dear little ones, **to expel Satan from the earth and triumph over evil!**

I am your mother, The Queen of Peace, standing before the throne of God, before The Most Holy Trinity.

I grant to you peace.

(She's blessing the United States of America! Oh, wait, I hear people singing all around. They're singing

"God Bless America. There is God the Father!! He says, "Holy are My little ones who freely choose to return to Me. For their sake I bless the United States of America this day." (There is The Holy Trinity, God the Father, God the Son, God the Holy Spirit, the Blessed Mother and there's St. Joseph! They are blessing America and they blessed those countries who mourn with us in our loss. Our Lady is crying now.)

Do not forget this time of grace and all the lessons that have been learned, and the respect for life that has been given to you this day.

Truly, it is a grace that I am with you.

On this day, God has blessed America, **but to continue living in this blessing, you must continue to unite and pray.**

I am your mother, The Queen of Peace who blesses you. *(She blesses everyone here.)*

In the name of the Father, and of the Son, and of the Holy Spirit.

Thank you all for having responded to my call.

Go in the great peace of God. Peace, little children, only peace.

Ad Deum.
