

Message from JESUS OF MERCY
To THE WORLD

April 24, 2010, through Chris Curtis, a visionary in Maryland, U.S.A.

(There's a bright door. There's a figure coming through the door. It's still coming through the door. It's Jesus!)

My dear and beloved children of My Fathers' Earth,
My little ones,

I come today to call you to listen to Me, your Lord and loving Savior. My children, how often have you heard My words? How often I have spoken of living My messages. My little ones, you are not living My messages. You read, you ponder, but you do not live. Therefore, I call for a renewal. Read My messages and live them. Put into practice everything that I have said, everything that I have revealed to you about faith and about the Cross. These are not new messages. This is the message of the gospel. My messages are always repeating themselves, calling you to live the gospel message more fully in accordance with the holy Catholic Church. My little ones, I love you all very much, and although there are many fruits that will come to bear from the messages, it is not on paper that the fruits will be manifested, but the fruits will be manifested in you if you read and live what I am telling you.

My Heart is so in love with humanity that I could not restrain Myself from coming. I could not restrain Myself from coming when I was born of the Immaculate Virgin, and I could not restrain Myself from coming to you in this special way, but ah, how many special ways do I come to you? I come to you in the gospel. I come to you through the Blessed Sacrament. I come to you through the Magisterium of the Church. I come to you whenever your heart is opened. I come to you through the Cross. I come to you in many special ways. Therefore, I invite you again to pray, and to truly seek Me, and you shall find Me, for I come to you in the simplest way out of love to call you to My Heart which still yearns for all humanity to dwell therein.

I bless you, My little ones, with the Sign of the Cross, in the name of the Father which has sent Me, in the name of the Son which I am, and in the name of the Holy Spirit which I and My Father continue to send to you. Rededicate yourselves to Me! Rededicate yourselves to Me! Rededicate yourselves to Me! *(He's looking around. He's smiling.)* Now go in My peace. *(He's stepping through the door. The light is very bright. It's like the door is now shutting, it's still shutting. The door is gone.)*
