

Message from JESUS OF MERCY

To THE WORLD

August 2, 2010 through Chris Courtis, a visionary in Maryland, U.S.A.

My dear and beloved children of My Father's earth,

Today, I come among you in My infinite love and mercy to call you back to My heart. It is a simple call. Live in peace. Live in My divine peace which I will give to you when you truly turn from self worship and self idolatry. When you renounce these things, I will fill you with My divine peace.

How many times must I call to My people? I called to you from My own heart. I called to you through My mother, and I called to you from within the Church. When, My little ones, will you repent of your evil deeds and return to Me? You've seen My signs. You've heard My mother's warnings. How much more do you need? How much more can I give to you if you will not draw closer to Me?

I am not evil or vindictive. I am love and mercy itself. I do not want to punish anyone, but can you not see that you are forcing My hands? How much I have tolerated, how much I have put up with – selfishness, greed, hatred, murder! How much of these things are present in today's society?

I grieve for My Father's children who will not heed My voice. I will continue to call to My children throughout the world. Even when I cease speaking, my mercy will still be given if people will only take shelter in it. The best way to console My heart is by loving Me with all yours. When was the last time you gave up something for Me? When was the last time you said, "I love you"?

Again, I desire not your words but your heart. Let your hearts be sanctified by My grace and mercy and My love that I have for you. Enter into that forum by giving Me your love. The time has come for My Father's justice, and I will stand with Him. Amend your ways! Amend your ways! Please, dear children, tell the world to amend their ways!

I love you, and in My mercy, I bless you, in the name of the Father who has sent Me, in the name of the Son which I am, and in the name of the Holy Spirit which I and My Father continue to pour out and send upon you. Now go, go in My peace. *(The door is there behind Him. I see Him step through this door of light. He's gone but the door remains open and on a cloud. The door of light is getting brighter and brighter. It's gone.)*
