

Message from JESUS OF MERCY

To THE WORLD

October 2, 2010 through Chris Courtis, a visionary in Maryland, U.S.A.

My dear and beloved children of My Father's earth,

Today I come to welcome you back to My heart. My little ones, it is important now more than ever that you know that I am with you, now and forever, and that I love you, now and forever. I could stand here and reveal to you the horrific events that will come to pass if humanity does not pray, fast, and return back to Me, but I will not. Instead, I come as I am to call you and to welcome you back into My heart. I have such love, such mercy, such graces and gifts to give you if you will only surrender. By surrendering, this one act alone opens your heart for Me to shed My graces, and My blessings, and My love, and My mercy upon you.

Now it is most important that you know what I desire from you. And what is it that I desire from you? Has it not been always what I have said in scripture and through the teachings of the Holy Catholic Church - to know Me, to love Me, to serve Me? I desire to be your Savior. I desire to be your brother. I desire to be the best friend you will ever have.

Pray! Come to My tabernacle and open your heart to Me, open to My love which I will give you there, and take Me into your life. I desire to know about your day. I desire to know what you feel and what you think. When you can express these things to Me, then I can express to you My desire and what I want from you. I want you to love Me, and I want My love to enter into you. I want this constant exchange of love so that we together may become one as I have said at the last supper.

I cannot give you any new messages until you begin to live the current ones. Draw closer to Me. Let Me be your Savior, your brother, and your best friend. How I desire that intimate relationship with each one of you and with all the world for that matter. But in order to do that, they must return back to Me. My heart is burning with love for each and every one of you. If humanity does not respond to My love and My mercy, then they will have to respond to My justice, to make reparation for the lack of love they have given to Me, their Lord and Savior. Let my words penetrate your heart. I love each and every one of you. Do you love Me? Am I in the first place in your life? Or am I distant to you? Only you and you alone can answer this question. Instead, I bless you, in the name of the Father which has sent Me, in the name of the Son which I am, and in the name of the Holy Spirit which I and My Father continue to send to you. Amen.

Respond! Respond! Respond to My call! Now go in My peace. *(There's a light enveloping our Lord. I can still see Jesus. He's gone. Only the light remains. The light is slowly disappearing. Gone.)*
