

Message from JESUS OF MERCY

To THE WORLD

September 25, 2010 through Chris Courtis, a visionary in Maryland, U.S.A.

(Our Lord is telling me privately that He is giving me an outline for today. Our Lord will give His message. Our Lady will come later and give 3 messages, and then I am to tell what I see and then leave. Our Lord is opening His hands like Our Lady in statutes when her hands are open, like an embrace, or ready to hug. I guess us. Our Lord says,)

My dear and beloved children of My Father's earth,

Today I desire to embrace each one of you, shed My love and mercy on each and every one of you, and to embrace you with My all encompassing love. My heart is open for all those who desire to truly seek Me. If you desire My love, and Me alone, then I tell you to pick up the source of hope, the source of life - My Cross. There is no life without My Cross. There is no salvation without My Cross. Do not throw away your crosses, your burdens, and your pains, for in embracing your cross, you embrace Mine which is truth and life because I am the Way, and I am there on It. I am faithful. Open your hearts to receive Me.

Nothing is impossible for Me. I can take your cross and turn it into a Tree of Life, only if you embrace yours. Embrace your cross, and I say truly, you embrace Mine. To run from the Cross is to run into the arms of death. I am not death. I am life itself. Surrender your hearts to Me, and I will be with you. Pray and unite your suffering to Me in the Mass and in prayer, and I will dwell within you, and you will see and witness joy that you have never felt before. My arms are open for you to embrace holiness, for you to embrace the True Way. If you cannot, I ask you to embrace My Cross then, for in embracing My Cross, I will embrace yours. Meditate on My sorrowful journey to Calvary, and know that the Cross is not the end but a beginning within itself. By accepting the Cross, you accept Me.

I bless you, My little ones, in the name of the Father which has sent Me, in My most holy name, Jesus, which I am, and with the Holy Spirit which I and My Father continue to send to you.

(He's speaking to me privately about something I can't reveal right now. I don't fully understand what He's talking about, therefore it must remain a secret.) Go in My peace. *(The light is enveloping Him. The light is still there. It's gone.)*
