

Message from YOUR SORROWFUL MOTHER

To the UNITED STATES AND THE WORLD

February 2, 2010 through Chris Courtis, a visionary in Maryland, U.S.A.

(Our Lady is here. She's dressed in a dark blue mantle which hangs below her shoulders. She has a white thing on like a nun. She's wearing a cape around her shoulders. The cape is just blue. There's a gold clasp that holds the cape near her shoulders. Her dress and sleeves are black. She's on a cloud. There are twelve blue stars twinkling on her head. And there's a beautiful light that she's radiating, and her hands are in prayer with a very dark Rosary. The beads are dark. The chain is gold. She says,)

Praised be Jesus!

My children, I have come from Heaven to ask you to be examples of love and purity. Little ones, live your lives in full union with God. Go to Mass and pray the Rosary daily. You are called, little children, to be examples by the lives you lead. You will be the extended hands that my Son will use in helping convert this sorrowful world without peace. You do not realize how great your role is in God's design. Therefore, dear children, do I call you to take up the Rosary and pray, pray, pray! Let your prayer be from your heart, not with words.

God is calling you, little children, to give the gift of conversion to the whole world. Open your hearts in prayer and you will be inspired by my Son as to what to do. The world needs examples of holiness, purity, and peace. Live these virtues! Seek these virtues and only these virtues! Yes, own these virtues, and you will help others by the example you lead in your life.

I have also come to deliver a very sorrowful message to the United States and the world. My dear children, you will have much to suffer, much to suffer in this world and in your nation. Pray for your leaders, not only for your country but for the world. My Son desires to give peace to the world, but it will not have peace unless it returns to God. Therefore, my call goes out to all of humanity. My dear children, you must stop offending God! If you do not, the graces that you have that my Son has given to this nation and the world will be taken away, and God the Father will withdraw His merciful hand to allow you to experience the justice that you yourselves have merited. My Son is merciful, and I am giving you His mercy through my motherly heart.

Please, do not disregard the seriousness of these times and the graces that God is blessing the world with. The farther you walk from my Son, the farther you will go into Hell. There is nothing in Hell but death. Little children, you are called to the light and to be carriers of peace. I am Your Sorrowful Mother, and I am praying for your conversion. Join your hands with me, and pray with me for the great conversion of this United States and the world.

I love you and I bless you, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. I take to heart your petitions, and I will present them to God the Father Almighty in the name of my beloved Son Jesus. And today I pray over you. I pray that God may bless you with the graces and abundant mercies for you to open your heart to Him and for you to love Him. Love my Son! Serve my Son! And serve His most holy Church! I pray over you for obedience to my Pope, to the bishops, to the cardinals, and to your holy priests. Those who will be

obedient to the Church will be obedient to my Son, and through the Church you will obtain great blessings. Thank you, my little ones, for listening. Now I ask you to open yourselves to the peace of God as I say, go in the great peace of God. *(The light is enveloping her. I can still make her out. The light is very bright. Now it's ascending up to the ceiling. It's still there. She's gone.*
