

Message from MOTHER OF SORROWS

To THE WORLD

February 25, 2010 through Chris Curtis, a visionary in Maryland, U.S.A.

(Our Lady is here. She made a descent in light and now she's right here. She says,)

Praised be Jesus! (She's here. She's dressed in the same way as before, dark blue mantle, a white, nun-like outfit that goes around her face. I can't see her neck. She's wearing a cape, light blue, and the rest, she's dressed in the black outfit, like a nun. She's on a cloud. There are twelve twinkling stars and she's bursting in light. She says,)

My children,

I have come from Heaven to be with you in a special way, to call you to pray the Rosary. Pray the Rosary every day. Hold the Rosary close to your heart. I mean spiritually. Always give time to the Rosary. Pray the Rosary slowly and meditate upon the mysteries from your heart. This is most pleasing to God and to me. When you have the Rosary close to your heart, you will understand the spiritual graces and blessing that come to you through me from the Rosary. I call you, little children, to renew your devotion to the Rosary. I am with you every time you pray the Rosary. I am with you, believe, and pray from your heart. Can you not sense me close to you? Yes, I am close to you when you pray the Rosary from your heart. Feel me by you. Enter into that presence, into my presence, and enter into the presence of God because I am the holy Theotokos, the God-bearer. Every time you pray the Rosary and you feel close to me, know that you are close to my Son for where I am, He is also with me. Love the Rosary. Give time to the Rosary. Love me, your mother, through the Rosary. It is a special devotion given from Heaven so that you may come closer to my heart and thus closer to Jesus' heart through our lives.

Also, when you love the Rosary and when the Rosary is close to your heart, I ask you then, to teach others to pray the Rosary. Pray the Rosary, and help others pray the Rosary. Teach them that the Rosary is close to my heart. Tell them that every time they pray the Rosary, and they pray it from the heart slowly, and they feel my presence, then tell them also that they are entering into the living presence of God. Teach my poor children to pray the Rosary. Do not rush through the Rosary but give time to the Rosary. Even if you spend one hour praying all five decades of the Rosary, it is better that you do so from your heart than praying all twenty or fifteen or ten decades and it not be from your heart. Yes, little children, ritual is important but it should never take the place and will never take the place of praying the Rosary from your heart.

Also, little children, my children, I come to warn humanity. I appear as the Mother of Sorrows because I am sorrowful. Help me through your prayers to win souls! Through your prayers and sacrifices you will help me win souls for Jesus. Oh, little children, know that Hell is forever. You are never free from Hell. It is a disgrace of your soul. In Hell there is nothing but darkness. Please, sacrifice your time, and pray for the conversion of sinners. Oh, little children, this world and this nation, I'm deeply concerned with. Through your prayers and sacrifices, you can mitigate what is to come. Yes, some things will not come to pass. Yes, some things will be lessened, and as my Son says, some things will come to pass exactly as we have said. It is through your prayers and sacrifices that you can help us mitigate what is to come. Don't give up. If my requests are heard and are granted, there will be peace. If not, the loss of faith will surely happen, and nations will rise against their own nation. There will be civil wars and conflicts of every kind, and instead of peace, there will be nothing but chaos, anger, hatred, and resentment, but that is already present now. Pray and help others to pray so that it does not become even worse. Yes, little children, it can become worse. →

Pray for the souls in Purgatory. They suffer deeply by the purifying fire of God. It is a passion, an ecstasy, a strong fire to consume them so that they may be burned, and burn away the exterior of their humanness, and be filled with nothing but God. This is what will help them reach Heaven but they must endure this passionate fire, and it is painful. It is an ecstasy of souls that can never be stopped. They seek God but yet they cannot be with Him. Through your prayers, you can help them reach Heaven, with YOUR prayers. Pray, pray, pray! Pray to me. Pray and ask me to appear to those in Purgatory to help them pray, and I will. And some I will deliver from Purgatory to Heaven through your prayers. All is conditional. Every thing that I have said – through your prayers, sacrifices, and your love for God and each other.

It is in my sorrow that I have come and to remind you of these things. I should rather you have faith and believe and do the things that I have asked. You ask me, “Oh mother, but which messages should I live?” I ask you to live my messages here and also the ones that I am delivering under the title of Queen of Peace in Medjugorje. These are the messages you should live. I’m praying for you for conversion and for peace and for strong faith.

I love you! I love you so much that I lead you to Jesus. Everything given to me I give to Jesus, and He bestows His blessing. My right hand is extended in graces for those who are faithful who need help. My left hand pours forth graces for nonbelievers who need help also. Remember God makes His sun to shine on the just and the unjust, and so do I, your mother, send forth graces for the just and the unjust.

It is also in my sorrow that I point you to the First Saturdays. Make the First Saturdays, and live the First Saturdays. For every First Saturday you attend, the swords of my heart are taken out and healed. I love you and I bless you, in the name of the Father, and of the Son, and of the Holy Spirit. I take your petitions into my Sorrowful and Merciful Immaculate Heart and will present them to the throne of the Holy Trinity.

And now, I extend my hands over you in prayer. My prayer is this,

May you be filled with the living presence of Jesus. May you come to know and adore Him through the power of the Holy Mass, Eucharistic Adoration, Confession, and the Rosary. Jesus desires, through you through the Rosary, that you open your heart to me so that through my presence you come to know the presence of Jesus. “Let your heart be open,” Jesus says, “to my presence and love.”
Amen

And now I bless you and all that is here, all that is in this room, on the altar and by the altar, everything you have with you, I am blessing again, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Pray, pray, pray for this nation and your president for more sorrows are sure to come. Now go in the great peace and love and mercy of God. (*There’s a light, she’s already in light but there’s another light and it’s surrounding her, bright, very bright. Now the light is moving, moving up. I can see the ceiling now. The light is moving past the ceiling. Now it’s gone.*)
