

Message from OUR LADY OF THE CROSS
To THE WORLD

January 25, 2010 through Chris Courtis, a visionary in Maryland, U.S.A.

(Our Lady is here. I asked her what her title is and she said, " I am Our Lady of the Cross." She's dressed the same way (as January 2, 2010), long black veil, black cape. Everything is in black. She says,)

Praised be Jesus!

I have come to give you a special blessing from my Son. I bless you, little children, with the Sign of the Cross over your heart, in the name of the Father, and of the Son, and of the Holy Spirit. May this cross be the light that leads you to prayer, sacrifices, and penance.* No, dear children, you do not know the grace and the blessings that I have blessed you with through my Son. Therefore, I ask you to do nothing but surrender yourself to my Son, and pray, pray, pray! It is only in prayer that you will comprehend the great blessing that I have given you today.

I am sad. I am sad because of the nation and its leaders. I am sad because of the world's leaders. I am sad because there is too little faith. I am sad because of the sin of abortion. You should not be sad that I appear in black, but each one of you should ask yourselves, why I am appearing in black. The reason is I am in mourning. I am in mourning for all the lost souls that continue to be dammed in Hades. The only weapon you have, little children, is your faith. *(She's crying.)* Pray, pray, pray everyday for the gift of greater faith! My Son is waiting to give you greater faith if only you would pray and truly believe.

Little children, I am sad because of the sufferings that will befall this world. I have come and pleaded many times for conversion. Again, the only word I wish to give is convert, convert, convert, convert! You cannot say you are converting if your life is not centered around Jesus and me through prayer. It is only when prayer is a life to you that you will discover the joy and blessings of God. And it is only then that you will fully convert, and my heart which is mourning will become a heart of joy. Take seriously my words and return to God, and pray that I do not appear like this any more.

I bless you, little children, in the name of the Father, and of the Son, and of the Holy Spirit. I love you. Even in my sorrows I love you. Tell the world that Jesus is waiting to heal them, heal this world if they are willing to convert. Now go in the great peace of God. *(There's a light. It's enveloping her. I still can make her out. The light is now bright, moving up towards the ceiling. It's moving past the ceiling. It's gone.)*

**[Chris explained after the meeting that the Sign of the Cross given to each one over their heart was a luminous cross, luminous to enlighten and to help us come to the realization in prayer the importance of prayer, sacrifice and penance. Anyone who reads this message can ask for the same blessing. It won't come by just reading the message, you have to ask for it.]*
