

Message from OUR LADY OF AMERICA
To THE WORLD

April 2, 2010, through Chris Courtis, a visionary in Maryland, U.S.A.

(Our Lady is here. She says that she has two messages to give. For this purpose she will appear under the title of Our Lady of America, and then afterwards she will be transformed into Our Lady Queen of Peace. She has a gold crown on her head, a very big one, thick, gold, pointy. Her veil is long and white. Her robe is long and white. She does have a lily tucked in the crook of her right arm. Her hands are in prayer. She's on a cloud. She's radiant in light. She says,)

I am Our Lady of America.

My dear children,

I love you all very much, but I have to still come and give a warning to you. It is out of my love that I warn you, all of you in America. My dear children, you must stop offending God! I warned you of natural disasters. Again, I warn you of natural disasters. I warned you of epidemics. Again, I warn you of epidemics. I warn you also of tragedy caused by mankind. My dear children of America, if you do not return back to God soon, the events that you are witnessing now will only get worse. I have warned you, and I continue to warn you. You must amend your ways! I, as your mother and Lady of America, can tell you truthfully and honestly, pray, for you do not know what the eternal Father will send to you. I love you but only you can amend your ways, and only you can set the path for peace.

I continue to point you to your weapon which has enough power to subdue the devil and evil forces and bring you peace - the Rosary. Again, dear children, pray, pray, pray! Satan is lurking around every corner waiting to destroy your peace, but he cannot if you pray from your heart and use the Rosary as your weapon against him. In times of trouble, and despair, and disillusionment, I will be there but you must understand that you are the ones who set forth the course which is to come. I love you very much and do not want your condemnation. Pray from your heart, and I will help you. *(There is a dark cloud. I see a dark cloud moving across the United States. She says,)*

After this tumult, another ray of light shall be given to the United States. *(I see rays of light coming from Our Lady's Immaculate Heart.)* Like this it shall be after the consecration of the United States of America is done to God the Father's Sacred Heart. I love you, and I thank you for responding to my call. *(There's a gold crown on her head, bursts of stars above her head, 12 blue stars. The veil is the same, and the dress that she's wearing is becoming a grayish blue, and she's on a cloud. She says,)* I'm Our Lady Queen of Peace. [see next message]
