

Message from OUR LADY OF GRACE

To THE WORLD

July 2, 2010, through Chris Courtis, a visionary in Maryland, U.S.A.

My dear children,

I thank you for coming and for praying with me. Today, I desire to call your hearts to repentance. Therefore, dear children, do I say to you and to the world yet again, please, dear children, you must stop offending God! He is so greatly offended by the sins of ungrateful souls throughout the world. Pray, amend your ways, and return to loving the heart of God the Father and my Son. If you truly do this with all your heart, God will be victorious and will grant peace to the world, maybe even sooner than you think.

My requests remain the same as in Fatima, Portugal, in 1917. Pray the Rosary every day. Live chastely according to your state in life, and make Eucharistic atonement to Jesus. These are your tools, dear children, to help the world. I can only point you in the right direction. The rest, the choice, is up to you. If you desire this path, you will suffer but many souls will be saved. Graciously accept and allow all that God will allow to come to you in your life, bearing all things with great humility and love. This is the road to Heaven. I love you, little children. I desire your peace but the world cannot have peace, nor will it have peace until it returns to my Son. Always, He is first.

My heart mourns for all the lost souls in this country. My plea is a mother's plea. Please, dear children, you must stop offending God! I have given to you warnings, and I will continue to give to you warnings. If men do not return to God soon, there will be earthquakes, famines, droughts, floods, epidemics, great illnesses, and suffering of all kinds. The choice is yours now. You can not know my Son without prayer. Therefore, pray, pray, pray! And pray the Rosary to receive the graces that you need every day.
