

Message from OUR LADY

To THE WORLD

June 25, 2010, through Chris Courtis, a visionary in Maryland, U.S.A.

My dear children,

Today, I have come to be with you in a special way because you need my help. You need my love and my protection. Little children, you are concerned about the world, and with good reason. Time is running out. I continue to reveal to you my sorrows over so many souls who are lost in sin within and throughout the world. The dangers of sinful behavior have consequences. Sin leads to death which leads to hell.

Take a good look at the world around you. Pray for discernment. What do you see? What do you hear? There are consequences for evil behavior, and for choosing to sin, and being rebellious against God's Plan. Little ones, the time to change is now before it is too late. This summer is especially hot because this is in preparation for a great event soon to take place. I have come to tell you that now almost all the demons of Hades have been released. Faith is what is required now and true living the gospel.

You asked me why your prayers are not being heard, why they are not being answered. And I say it is because you are not praying from your heart. Now you must pray from your heart. If you must struggle to pray from your heart, then it is good. This prayer from your heart is the only thing that will get past all the demons that are around and will be. And your prayers will be answered according to your faith. Nowadays there must be no more lukewarmers or lukewarm believers. If you desire to pray, and desire your prayers to be answered, pray from your heart. Pray also for the conversion of this world which is in great turmoil. Pray for the gift of greater faith, and know that I will not leave you during this time of great tribulation and struggling, but I remain with you, always pointing you to the way to my Son Jesus.

There are two things that Satan did not know that God would grant to the world in this hour; one, my appearances throughout the world such as in Fatima and Medjugorje; and two, that I shall be with you during this long tribulation. Do not give up on your faith, but pray and persevere with me so that when your time comes, you will not be caught asleep, because God will soon answer your prayers. Pray! Pray! Pray without ceasing!

This is where you stand now with regards to Heaven, Purgatory, earth and hell. Hell is almost emptied [of demons]. Earth is going through its period of chastisement. Soon there will be wars in many countries, civil unrest followed by war which I cannot reveal to you at this time. After, shall come the Three Days of Darkness and the Illumination of Souls. Purgatory stands with you, praying for you, but again, it is necessary to pray for them and make sacrifices for them.

Pray many Rosaries for those in Purgatory, and offer up Masses for them. Heaven stands with you but also weeps over the amount of sin in the world. This is where you are. Take heed to my warning. I have said the earth will shake, and it has begun. And now for my next message: [See next message]
