

Message from OUR LADY OF AMERICA
To AMERICA

November 25, 2010 through Chris Courtis, a visionary in Maryland, U.S.A.

Praised be Jesus!

Dear children of America,

Today I come to be with you in an ever special way to call you back to my Son's love and to His mercy. Therefore you must understand that you have gone so far away from My Son. Little children, look around, do you not see, do you not yet understand your freedom is being taken away little by little every day. Those who love and trust God and who believe shall rest safely within the ark of my heart and thus the Four Hearts as well.

My dear children of America, you have so much to be thankful for, so many blessings. My call to you is one of truth and freedom for your souls. My dear children, you must stop offending God! If you do not, one disaster will come upon another. You will not have time to recover and another one will occur. My Son is merciful. I am merciful as well. That is why I am here, to lead you to repentance, conversion, and peace. But the United States will not have peace until it unites in prayer and prays. Pray! Pray! Pray! Pray that this nation remains one nation under God. Believe totally and completely in the Catholic faith. Believe and take a stand for I will stand with you in your beliefs.

I see much pain. It is as if this nation is in labor once again. What it will labor for, or what will come forth is yet unknown. But I can tell you this – if people pray, fast, do penance, and unite in prayer, the thing to be born will be a new Era of Peace for this state, for the whole United States of America. If not, you will be oppressed. Your freedoms will be taken away, and you will suffer much. Many natural disasters and manmade disasters shall come. Therefore, again, I call you out of my merciful love to stop offending God! The power and choice that lies before you is in your hands, my little ones, and only in your hands. What will you choose?

(Our Lady looks sad almost. I don't know how to explain it. Her head is off to the side. Her eyes are somewhat closed. She reminds me of a picture of Our Lady of Sorrows. Our Lady says,) Hold hands and unite. Pray for the conversion of this nation. I am with you until the end. Be united and help each other to be converted. I am sad that my messages in the United States have not been taken seriously. I am sad for all that you will have to endure yet in this period. God is merciful. He is loving, but there will come a time when God will have to act in justice. It is my hope that through God's act of justice, you may obtain God's mercy before and after you live through these events. I love you, and I am praying for you. Remember me in your sorrows. Thank you for responding to my call.
