

Message from OUR LADY OF AMERICA

To AMERICA

October 2, 2010 through Chris Courtis, a visionary in Maryland, U.S.A.

Praised be Jesus!

Dear Children of America,

Today I come among you to call you back to God. Little children, you must know somewhere deep in your heart that you need God. Look at the world around you and pray. Pray for the conversion of sinners. Pray that people stop sinning and return to God. And pray that they may take the messages that I am giving seriously.

My little children, the offenses that are being committed against my Sorrowful and Merciful Immaculate Heart are grave. My son Jesus holds those people accountable for the sins that are committed against my Immaculate Heart. That is why, dear children, it is so important that you go to the First Saturdays and that you live the First Saturdays devotion in your hearts. Also, dear children, Saturday is a day of grace. Pray to me, your mother, especially on Saturdays under the title of Mediatrix of Graces, for I will pour forth abundant graces for all those who make the First Saturdays and those who pray to me on Saturdays, those who pray the Rosary and the Seven Sorrows devoted to me.

My call is the same as in Fatima, Portugal in 1917. Please, my dear children of America, you must stop offending God! If you do not, the natural disasters, floods, epidemics, tornadoes, hurricanes, all natural and man made disasters will become worse. I am giving you a warning. Please, dear children, amend your lives without delay. Pray for this country to be one nation under God and to be united to my Immaculate Heart. America is very special to me, and I intend to keep her one nation under God. That is why I call you to pray and fast. It is only through prayer and fasting that you can obtain abundant graces, that you can stop wars and natural disasters. This is what I want. This is what I desire for you here in America and to be united to God in prayer and fasting.

Little children, America has abused the graces that it has been given by God. Please, make reparations for all the ingratitude that is committed against my heart. Open your heart to your mother's call and do not be divided. This nation is divided, and a nation divided cannot stand. Therefore, unite in holy love and brotherhood, and pray, and fast. Pray every day the Rosary and fast on Wednesdays and Fridays. If you cannot fast on bread and water, give up anything that you like that is pleasurable for you as a sacrifice or a fast to God.

I love you, dear children. Please listen and respond to my call. I love you. I love all of you. Thank you for responding to my call. *(Our Lady is changing. I see a bright light. The light is dimming, and now I see her in the white veil and the bluish gray dress - Our Lady Queen of Peace.)* [see next message]
