

Message from OUR LADY OUR LADY QUEEN OF PEACE
To THE WORLD

April 2, 2010, through Chris Courtis, a visionary in Maryland, U.S.A.

I'm Our Lady Queen of Peace. Praised be Jesus!

Dear children,

Today, like never before, do I desire you to take up the call to holiness and live it. I desire you to be holy through obedience. No matter what happens, dear children, you are called to be obedient to God's church. Little children, obedience allows humility to enter into your heart. Therefore, dear children, surrender to obedience. I love you, dear children, but you must be obedient, even in your everyday life. The little things that you need to do before prayer, do them. I will wait. Be obedient. I love you, dear children, and I desire you to know that obedience is a great gift from God. Pray and ask God, my Son, to open your hearts to this precious gift.

Also, dear children, I call you to the love that burns within my Most Immaculate Heart. Little children, this Good Friday, as Jesus' Heart was opened with a lance on the Cross so was my heart opened by the wound of the sword which I received. Thus every drop of my mercy overflowed to all of you. It is through the Cross that I became your mother, and it is through the piercing of my own heart, too, that all my mercies are given to all my children throughout the whole world, blessed and sanctified by Jesus' own flood of Divine Mercy and blood and water which flowed from the Cross.

This evening, dear children, bathed in the graces of the Hearts that were pierced, know that this flood of mercy is yours for asking when you pray. My Immaculate Heart is with you. Dwell in my Immaculate Heart through prayer and personal consecration. Make an effort to meditate every day on the mercy and love that was given to the world at the foot of the Cross through Jesus' own piercing and through mine by the sword. You are all my dear and beloved children because my heart was opened for all of you.

I love you, dear children, and I bless you with the Sign of the Cross, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. I bless all that is here, all that is on the altar, under the altar, everything you have with you, and everything you have on you, and I pray over you.

My children, may you do as my Son says. Read the Cross, and may you meditate on both divine passions, the passion of Jesus and my passion also, so that your hearts will be open to receive all the graces and love and mercy that Jesus overflowed you with at the foot of His Cross and my heart which also overflows with grace and mercy for all of you. Blessings, little ones, Amen.

Now I shall depart. I shall depart, dear children, but I shall be always with you whenever you pray. My heart was pierced with a sword so that all my love and mercy flooded out to all children of all generations. My heart was pierced by the sword so that through this wound, you will all enter into my heart. Thank you for having responded to my call. Go my dear, little and precious angels, in the great peace, love, and mercy of God. *(There's a bright light, a cross. It's behind her. Her hands are over us in prayer. The light of the cross is enveloping her, still enveloping her. The light is there, very bright. I can't see Our Lady in the light any more. Now the light is moving up to the ceiling. Now she's gone.)*
