

Message from OUR LADY QUEEN OF PEACE

To THE WORLD

August 2, 2010 through Chris Curtis, a visionary in Maryland, U.S.A.

Praised be Jesus!

Dear children,

Today, like never before, do I point you to my Son. Always, He is first. Nothing should come before me but my Son. Therefore, pray, pray all your prayers to Him. I am His mother, and I will pray and intercede for you. I will help you to pray but you must say all your prayers to Jesus for He is your Savior. Give Him all glory, praise, and honor that is due to Him, as fully human and fully divine. Receive Him in the Blessed Sacrament and know that He dwells within you after Mass. Go to Adoration. There, adore my Son. Forget about your problems and surrender to Him. Give all your love and attention and affection to Him. Do not worry because I am also there during Adoration.

My call today also is one of truth. My messages are not new in the sense that they contain the gospel message. Therefore, again, dear children, do I invite you to read the Holy Bible. Do not just read the gospel or the Acts. Do not skip the Old Testament but read the whole Bible, the old and the new. It is the Word of God, inspired by the Holy Spirit, and brought to you through the Church. Always read the Bible and accept what the Church is teaching about the holy Word of God. I love you very much, and I desire you to return to the basic message of the Holy Bible and the gospel. My messages are nothing new.

Prayer and fasting – I say this very much. Remember Queen Esther prayed and fasted. You, too are called to live this message. Pray! Pray! Pray! And fast on Wednesdays and Fridays. If you cannot fast on bread and water, then I invite you to give up anything pleasurable as a sacrifice to my Son. Return to the lessons of old. Return to the Bible. Return through Sacred Scripture. Return to God! I love you, and I bless you, and I pray over you.

May you, my dear children, rediscover my message through the Bible and through the holy Church. May the messages that are given give you light, and may your heart be filled with love for my Son and then for me. Amen.

(There's a beautiful, white, lit cross behind her. Her hands are still stretched over us in prayer.)

I extend to you my motherly blessing of peace, love, and joy. Thank you for having responded to my call.

Now I will bless you and everything you have with you and everything you have on I am blessing, and will bless, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Know that I have blessed everything here in this room, all that you have on, everything that you have with you, all that's on the altar, by the altar, and under the altar. Now I shall depart. I shall bless you again with the Sign of the Cross, and I shall depart to the Most Holy Trinity who has sent me here to be here with you in an ever special way. Know that I take all your petitions, and I will present them to the loving heart of Jesus, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Know that I am with you whenever you pray. Go in the peace of God. *(The light, the lit cross behind her, is growing. It's enveloping her, still growing. There's nothing but light. The light is moving up towards the ceiling. The light is still there. It's gone.)*
