

Message (2) from OUR LADY, THE GOOD SHEPHERDESS  
To AMERICA

November 2, 2010 through Chris Curtis, a visionary in Maryland, U.S.A.

My dear children,

Today, I have come from afar to talk with you, to encourage you, to touch your soul that you may listen to the words from Heaven. Little children, Pray! Pray! Pray! Pray and offer up sacrifices for this nation which lives in grave sin. Only you, dear children, have the power to change the world and its direction but it must begin with you. Therefore, again, I ask for conversion of the heart. Find time for personal, private prayer, and then pray. I will be with you, and I will intercede for you but I desire to keep you in prayer. It is through prayer that you come to know and love my Son.

Dear children of America, please, you must stop offending God! You have seen God's arm already this year. Now I ask you for conversion. There is still time to change some of the events and postpone some but not all. Humanity is steeped in sin, and without more souls making a personal sacrifice of their life for love of my Son, evil will grow ever and ever more quickly than it has. That is why you must keep in prayer too, to protect yourselves from the sins of the world and Satan. In the end, my Immaculate Heart will triumph but if people do not cease offending God, greater chastisements will befall you. Please listen and heed my call. I love you so much! Thank you for your response to my call.
