

Message from OUR LADY QUEEN OF PEACE

To THE WORLD

December 25, 2010 through Chris Courtis, a visionary in Maryland, U.S.A.

Praised be Jesus!

Dear children,

Today, I invite you once again to conversion. Little children, renew your hearts. These are special times of graces to grow in God's love and mercy. That is why, dear children, I call you to conversion. How do you begin to convert? I simply say, take a step forward and pray. Pray, pray, pray! You cannot say that you know or love God when you do not pray because the fruit of prayer is love towards God. Through prayer, you come to know my Son Jesus and the Holy Trinity. Therefore, I invite you to take some quiet time to pray, talk to us, and just keep still and quiet. Allow God to fill you with His peace.

As I invite you to conversion, I also ask you not to avoid prayer or fasting because it is through prayer and fasting that your soul can be purified, and God can more easily dwell within you. That is why I ask you to pray the Rosary every day and to fast on bread and water every Wednesday and Friday. If you cannot fast on bread and water, then give up anything pleasurable like TV or dessert. You know, dear children what you have to work on.

I also invite you to utilize the Sacrament of Reconciliation. Be reconciled with God. Peace will not come upon this world until men make their peace with God and with others. I speak often about prayer and conversion because you must understand that Hell, Purgatory, and Heaven are real places. Comprehend, dear children, that these places, especially Hell and Heaven are eternal. Make your decision to walk towards God. Renew your consecration to God and live anew the gospel messages. Read every day the Bible. Every day meditate upon Holy Scripture. When you fully understand Holy Scripture, you will understand that my call is the same as my Son's.

Also, dear children, I invite you to peace. My call is one of peace. That is why I ask you to pray. When you pray, you receive great graces, and one of them is the gift of peace. Peace comes when you pray. It also comes through the gift of the Holy Spirit. That is why also, I invite you now in this time to pray ever more and seek the intercession of the Holy Spirit, for He truly desires to help you and set your heart free. The world will not know peace if it does not surrender in humility, if it does not fall on its knees and pray from the heart. Peace, peace, peace, and only peace! Guard your peace and protect your peace through prayer and through love and mercy for others. When you show love and mercy to others, you receive the gift of peace. If you are not at peace, then I ask you again to pray and pray hard. Pray to St. Michael the Archangel so that he may deliver you from the snares of the enemy, to protect and guard your peace.

Always, dear children, be obedient to the magisterium of the Holy Catholic Church. You may believe and have faith in my appearances but do not let these appearances become your idol because nothing that I am saying is new. All is written in Holy Scripture. I am the Mother of God. I am the Queen of Peace, and I will intercede for each and every one of you for your

conversion and peace to my Son but I desire you to pray all your prayers to Jesus. When you are in need or in difficulty, come to me, and I will pray for you but remember always, He is first.

Let the Mass be the first place in your life. There, through the Mass, you receive the consecrated body of my Lord and the Holy Trinity. Wherever the Blessed Sacrament is, I am there. If you need me, seek me there. I love you, and I extend my hands over you to pray over you.

Little children, may your hearts be filled with love and mercy towards God.  
May that love and mercy which you bear for me and to God, bear fruit for others, Amen.

I have already blessed everything in this room, and I have taken your petitions. I extend to you this special day my motherly blessing of peace, love, and joy, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Now as I depart, please know that I will always be with you, each and every one of you, when, and especially when you pray your Rosary. *(There's a lit cross behind her now. Beautiful! It's beautiful! It's white light. She says,)*

I love you! I love you! I love you! Thank you for having responded to my call. Go in the peace of God. *(The cross of light is enveloping her. It's still enveloping her and Jesus. There seems to be light around all of them. I can't see any more angels or saints. Everything's just white light. The light around the sphere is dimming. Now all I see is the sphere of light, rests on a cloud. The cloud is rising with the sphere of light. It's rising, rising, looks like it's going through something. I'm guessing it's the ceiling. The cloud is there, gone.)*
