

Message from OUR LADY QUEEN OF PEACE  
To THE WORLD

November 2, 2010 through Chris Courtis, a visionary in Maryland, U.S.A.

*(She's here. She says to look at all the souls that are being released today. Yes, I see them. She says that during All Soul's Day, one level of Purgatory is emptied out. So the top which draws near to Heaven, they all move up into Heaven, and then there is vacancy so other people keep moving up. It is on Christmas Day that the greatest number of souls are released from Purgatory. She says, "I love you, dear children.")*

Praised be Jesus!

Dear children, today like never before do I invite you to rededicate your life to me. Live a new life filled with God's peace and love. To do this, I ask you again to review the messages of Medjugorje and to live them. Live every word I am giving to you from Medjugorje because I desire to help you on your road to conversion. Rededicate your life. Live the messages, and know that I love each and every one of you.

Dear children, the time of your visitations is almost over. That is why I call you to seek sincerely to live my messages. If you review my messages from Medjugorje and live them, you will again discover the fruit of peace, joy, and love which comes from God. I love you and I pray over you.

May the heart of my Son Jesus be your refuge, your light in dark places, Amen

Now I shall take your petitions into my heart, and I will present them to God, the Most Holy Trinity. As I bless you with the Sign of the Cross, I shall depart. I shall depart, dear children, but I will always remain with you when, and whenever you pray your Rosary, in the name of the Father, and of the Son, and of the Holy Spirit, Amen.

Now that I have blessed everything that is here all that's on the altar, by the altar, under the altar, everything you have with you, and everything in this room I have blessed, and I will bless again and depart, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Thank you for having responded to my call. Now go in the great peace of God. *(There's a white cross lit up behind her. Her hands are outstretched like praying over us. The light is engulfing Our Lady. The light is there, ascending up to the ceiling. It's going through the ceiling. Gone.)*
