

Message from OUR LADY OF AMERICA
To THE WORLD

May 25, 2011, through Chris Courtis, a visionary in Maryland, U.S.A.

(It's Our Lady of America! with the crown, with the lily, with her Immaculate Heart, everything. She's so pretty! She says,)

Dear children of America,

The time has come for you to awaken spiritually and return back to my Son. I have called, and I have called, and I have called, and you have turned a deaf ear to my messages. My little children, my only advice for you at this time is return to Jesus through prayer. Nothing is more important to me now than your prayers and your sacrifices for your nation. If you offer me your prayers and your sacrifices, I will mitigate what is happening and what is to come soon, but I cannot do this without your help. Yes, I need more prayers and sacrifices on your part. Pray! Pray! Pray! *(She has a Rosary in her right hand. She's lifting it up. She says,)* Pray the Rosary together as a family and dwell closer to God. I'm inviting you through your prayers to find peace again with God.

After you discover this peace through prayer, I invite you, for your individual conversion, to go to Confession. Cleanse your soul of the sins which, by your own actions, you have caused by not listening and by not heeding my requests. Know, dear children of America, every sacrifice that is offered to me I take to my Son and give to Him, with my own blessing, to obtain an alleviation of His justice. He loves you and He does not desire to punish anyone, but through His justice, He will bring many back to His mercy.

Again, my call is the same as in Fatima, Portugal, in 1917. Please, dear children, you must STOP OFFENDING GOD! I have warned you throughout last year of greater suffering and natural disasters of all kinds. Where were the sacrifices on your part? I tell you in truth, the sins of America are great, and in order to preserve peace, my Son's justice must be given to you in all its measures. But you can help alleviate this through your prayers and sacrifices. My heart is mourning for all the lost souls in this country. With a mother's pleading, I say to all of you, my dear little children, please, STOP OFFENDING GOD! Be my prayer warriors and help me bring peace to this nation. More suffering will befall you unless you amend your ways. Tell America and the world to STOP OFFENDING GOD! Tell them I desire nothing more and nothing less than their total conversion. Let me, as your mother and Lady of America, lead you to that which is right and just in His sight. Thank you for your response to my call. *(The light is radiating even more. The light is now slowly fading. She's Our Lady, Mother of Mercy.) [see next message]*
