

Message from OUR LADY OF JOY  
To THE WORLD

August 8, 2013, through Chris Curtis, a visionary in Maryland, U.S.A.

Praised be Jesus!

My dear children, please listen with your hearts and hear me. I come today in a special way to help you to understand that now, today, is the time to begin your conversion, on this feast day. Little children, the world is in great distress. The Catholic Church is in great distress. Christianity in whole is in great distress. I ask you once again, all of you, regardless of religious, titles and differences, to unite under my mantle.

Oh, my heart bleeds for the deception of Christianity. Satan has done well in deceiving my Christian family. He has worked his way into religious practices and devotions. New Age is prevalent but so is this new Christianity where you think of yourselves as little gods. Do you not see this is New Age? No one is God. Even though you remain in the image of God, you are made with His spirit that lives forever. Again as God the Father has said, when you die and are in Hell, Purgatory, or Heaven, that is God's gift that never dies – your soul. That is why you must be vigilant, be on your guard, pray without ceasing, and return to true Christianity. Believe in Jesus! Believe that He is the only way, and you will be saved. For those who do not believe in the Catholic Church and its teachings, I say to you, your salvation lies within true Christian doctrine, not in this new Christianity which has developed.

Prayers are powerful, more powerful than thought. Understand me well and keep drying my tears I shed when my children go astray. There are false apparitions. There are false prophets. There are false messengers leading my little ones astray. I must bring you back to my heart. With this (*she's holding up her Rosary*) the Rosary contains the life of me and my Son Jesus. It is the gospel come to life through prayer. Pray it, and you live the gospel. Pray it, and you relive Jesus' life and mine. Pray it and you receive Angelic help and mine. Renew this devotion. Pray for all of Christianity, for all denominations, and do not deceive yourselves. Return to prayer. This is the thing that will bind you to me and thus to God. You must pray without ceasing. You must pray always. Now is the time for you to surrender to God's love and mercy and to respond.

I told you that the days will become more difficult. I told you about confusion being everywhere including in my Son's Church. Pray! Pray! Pray! Renew your devotion to the Rosary and thus to my heart. Keep prayer and fasting alive. Renew your bodies and your souls with God's graces and His peace. This will protect you along with the Mass in giving you the strength to pray and to carry out your day.

For those who are sick and suffering, I give you my great graces and blessings for I truly know your pain. United with mine and with my Son's, you will be able to save souls, save souls through your suffering and prayer. It is by no means a little work but a great one! You can save more souls through prayer and suffering than you can just by prayer alone because prayer requires sacrifices. That is why I ask for prayers and fasting, but if you are suffering, that takes the place of fasting. In a great way it connects you to Jesus and me. We stands beside you, hear your love for souls, and save them. →

I love you and I bless you in the name of the Father, and of the Son, and of the Holy Spirit, Amen. When you do not know what to do or have questions about a certain religious practice, anything, any religious practice, take your Rosary in your hands, pray and ask the Holy Spirit through my love to guide you to the truth. He alone will reveal it to you if you are open and willing to hear. If not, continue to pray and stay where you are (*in your religious practices*). That is my motherly advice. I ask you to take it because the days ahead will become more deceived and difficult.

I also desire to tell you that I shall come one more time this year, my last time, on December 8<sup>th</sup>. After this I will only appear once a year, on May 25<sup>th</sup> along with Jesus my Son and only on May 25<sup>th</sup>. So gather once more in prayer December 8<sup>th</sup> and after that I and my Son will only appear once a year, on May 25<sup>th</sup> for awhile until God no longer permits us.

I take your prayers and your petitions into my loving Immaculate Heart and I bless you again, in the name of the Father, and of the Son, and of the Holy Spirit, and I bless all that is here, all that is on the altar, under the altar, all that's in this room, and all that you have on. I bless you, and as I bless you again, I shall depart. I shall depart to He who has sent me, the Most Blessed and Holy Trinity, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Thank you for responding to my call. Go, my little angels, in the peace of God. (*She's all in white. There's a little gold trim and it reminds me of Our Lady of Fatima but without the star. She's on a cloud and there's a bright light. There seems to be cross behind her, lighting up behind her, like she's going towards it. I still see the cross although Our Lady is not there. It's right there. It's there, now it's disappearing towards, going up. There it is. Gone.*)
