

Message from OUR LADY, QUEEN OF PEACE

To The World

May 25, 2013 through Chris Courtis, a visionary in Maryland, U.S.A.

(She's here under the title Our Lady, Queen of Peace. She came before as the Mother of Mercy with the blue veil on her head and the white dress, but now she's Our Lady, Queen of Peace. She's dressed in a long white veil and the dress is a bluish grey. She says,)

Praised be Jesus!

Dear children, today, like never before do I call you to peace. Little children, peace can be obtained. If peace is to have a chance to blossom in your world, it will require you to be reconciled with God and with each other. You must first look to God who is the source of love, hope, and peace. It is He who will give you the necessary strength to be reconciled with yourselves, with each other, and with God. Without this reconciliation, little children, peace is not possible. Prayer and fasting are needed in order to crown peace but peace must begin with reconciliation.

Also, little children, there can be no peace if moral values do not change, especially regarding life. Respect, little children, all life. Know that from the moment of conception through natural death you are created in God's image to live out the life He has designed for you. Without respect for life from beginning to end, there can be no peace. Listen to my words and take to heart what I am telling you. For without reconciliation and respect for life, there will not be peace. Prayer and fasting are needed in order to crown peace, but you must make the decision for peace. And only you can make that decision to live in peace. The world goes as it has always gone but my Son will save it through His love and mercy. Little children, surrender to Him through me. Know that I am your mother and that I do love you. Pray for peace. Never forget peace can be achieved if you open your hearts and live my messages that I am giving to you.

Also, little children, again I invite you to read the messages of Medjugorje. Live my messages there. Renew prayer and fasting and your commitment to peace. I love you, little children, and I pray over you. May my Son Jesus who is the source of peace and life bring life to your heart so that peace may blossom. I take your petitions to my Son, and I intercede unceasingly before the throne of God for each and every one of you.

And I shall bless you and all that you have with you, all that is on the altar, by the altar, everything you have with you and everything you have on, I am blessing with the Sign of the Cross, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Now, as I make the Sign of the Cross again, I shall depart to Him who has sent me, and I shall return again on August 8th along with the Father. Bless you, my little ones. Thank you for having responded to my call. Go in the great peace of God.

(There's a beautiful light around her. It's a cross of light. It's just right behind her. The light is enveloping her. I can still make out her eyes. The light is there. The light's moving off. I have the feeling it's moving up towards the East. The light is there. Gone.)
