

Message from JESUS, LORD AND LOVER OF THE DIVINE WILL  
For The WORLD

August 13, 2002 through Chris Courtis, a visionary in Maryland, U.S.A.

My dear and beloved children of My Father's Earth,  
Return back to Me. Return back to Me. Return back to Me. Be free from your sins and return to a way of holiness and love. If America and the world do not fly unto My merciful love now, then they will be plunged into a darkness so terrible that many will perish. You cannot live in sin and think that what you are doing is right. Sin causes you to lose your grace with Me.

Time is running out. You are choosing to force My hand. I tell you in truth, if My loved ones do not return to Me soon, there will be all kinds of natural and man-made disasters of all kinds. Africa will undergo another war leaving many of My Father's children dead and forgotten, and because of war, I will punish that nation with another drought and famine. England shall fall. I have given to her great amount of time to repent of her sinful ways, but they have not, and instead of the truth of My church being realized there, they have stripped her and made My body naked. Therefore will I do this thing to her. As for Ireland, there will be great famines, but in the end My mother shall be crowned there, due primarily because of their faith. America is the new hope of the world and I shall make her desolate and then raise her up. So too will I do this for My church.

Many sorrows are coming to you in this land, more so than in any other nation, primarily for two reasons: 1) because of your own sins, and 2) because you will be purged. Beware, my little ones, of your own stubbornness and pride, because it will be with open arms that you will enter into a conflict that will cause you to suffer greatly. But right before that conflict comes, you will see yourself in My light. Those who love will be judged by how they have loved. Those who do not have love in their hearts will find it very hard to fly unto My mercy.

My children are on the verge of a new world war. There must be true peace now. There must be true hope now, and it will only be given through Me. Therefore, repent, repent, repent and turn back to Me now so that in the light of My love, mercy and grace you may change the direction of your life from a way of sinfulness to holiness. Satan has come down and is now on this earth. He is seeking to devour as many people as possible, but he will fail because the victory shall be won by those of little and humble souls, the victory through My mother, the Lily of the Valley. Just watch and see what I will do.

Put your total trust and hope in Me and all will be well as you see My Will come to complete everything in you. Pray, pray, pray! Pray for the conversion of sinners and help them to return back home with Me through the examples of your daily lives. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Peace be with you all. Ad Deum
