

Message from JESUS, LORD AND LOVER OF THE DIVINE WILL  
For THE AMERICAS and THE WORLD`  
July 13, 2002 through Chris Courtis, a visionary in Maryland, U.S.A.

My dear and beloved children of My Father's Earth,  
Today I call you to seek after My mother. This is a message for the whole world! Seek the virtues of My mother. Seek after My Mother. Venerate My mother. Love My mother. Cherish My mother. She will lead you to Me. She has come to show you the way, to show you how to be living vessels of true peace, to show you how to be true vessels of My living presence. She is here to help you find your way back home to My Father.

Come, little ones, come to My mother all those who are sad, all those who weep, all those who are joyful, all those who are weary, tired, those who are sleeping, those who are dead in faith, those who are filled with abomination, those who are filled with pride, those who are filled with loving, child-like hearts, those who are meek, come unto My mother. Come unto her and she will bless you. She will take you to My heart. There is no one who loves you more than I do, more than My Father does, than My mother. My mother is your mother. I have given her to you at the foot of My Cross, out of My love for humanity. My mother nurtured Me. I grew in her womb and later in life, she taught Me about My heritage, My people. She taught Me how to pray, how to venerate God My Father, what God truly requires and expects of us. She is here to teach you the same.

If you return to God, I say you shall return to God through My mother and through Me. You will approach My Father by coming to her. You will approach Me through My mother, and you will approach My Father through Me. Those who do not seek Me through My mother do not have any less graces, but get tied into other abominations and other lies that Satan catches them with. Graces abound through My mother, but they abide when you seek her with a lively faith. Trust her. Seek after her. Have confidence in her. Her intercessions are powerful and they can enlighten and save mankind. My only prayer for you, and wish, is that those who love Me would love, and honor, and venerate My mother, for I tell you in truth, those who love Me, would love and honor My mother. Those who honor her, honor Me. Those who love her, love Me, and those who would offend her so grievously, offend Me. Return to God through My mother! Return to Me through My mother! She will lead you and tell you what to do.

My message for America and the world is: Awaken to My mother's living presence while there is still time. She wishes to pull you out of the sin of misery and deception and the vices that Satan has cast for you. If you awaken to her living presence, now in this decade, your world will be spared, but if you do not, greater chastisement will befall you.

I love you, My dear ones. I love you. I love you. I love you through My mother. I love all those who love her. Be as little children and let My mother help you. I shall bless you now with the Sign of the Cross. As I bless you, please know that I bless everything in this room with My special blessing of peace which is my living presence. As you make the Sign of the Cross, I shall bless you and after you make the Sign of the Cross, I shall depart and return to My Father who has sent Me to be here with you in a special way. Bless you, My little ones. Bless you. *(He's blessing us with the Sign of the Cross.)*
