

Message from MARY, MOTHER AND QUEEN OF THE DIVINE WILL
To THE WORLD

April 13, 2002 in a private message to Chris Courtis, a visionary in Maryland, USA,
part of which was read at the prayer meeting.

(First of all before I give the message, I just want to say that there are a lot of parts in this message that I cannot say. Before she gave me this message, she said that I can share with you only parts of it right now. When some of this stuff comes to be, because there's three parts to this, one part will be revealed after the events come to pass. One part will be revealed during, and one part will be revealed right before the events are supposed to happen. So in a future time if I come before you and I read you again the message and the part containing to where she said I could not read, that's because I'm filling in to what she gave me today. This is what she had to say)

My dear little children, praise be Jesus! My dear children, time has run out! I wish to tell the world to live my messages. Too many of my little ones are looking for signs and wonders. They seek visionaries instead of living my messages. This is a great grace, little ones. Now is the time to begin on your conversion. Pray, sacrifice and do penance. My dear children, I love you all very much and on this the second anniversary of my appearances here I ask you to pray the Rosary everyday, to do sacrifices to show God you love Him, and to do penance for the conversion of sinners. Those who live my messages and love God will go to Heaven

My message that I wish to make clear is that CONVERSION TAKES TIME. People must pray more and do works of charity for those who need your help. I will always be with each child of God, but God's children need to live my messages. That is why I am here, to help you, to lead you back to God and to holiness, but that will only come when the people of this world pray with all their hearts, stop offending God, and live the many messages that I already have been giving to you.

Now, more than ever, it is necessary to do penance. My dear little children, penance, penance, penance leads to peace. I am the Queen of Peace. In the end Medjugorje shall be instrumental in the peace for the world. God gives to you Medjugorje as a preview of what the Era of Peace shall be like. Live the messages of Medjugorje and know because of their "yes" in Medjugorje the peace of me, your mother, and God will always be there. Medjugorje will be a refuge and a place that will be untouched in the future. When the chastisements come, Medjugorje will be spared.

I love you all and I bless you. I bless all that is on the altar, all that is by the altar, and everything in this room I am blessing with the Sign of the Cross, in the Name of the Father, and of the Son, and of the Holy Spirit. Amen Please note that I take your petitions into my heart and will present them to the Sacred Heart of God the Father. Please know that as I make the Sign of the Cross again, I will depart, yet I will be with you all in a very special way when you all pray. Thank you for responding to my call. Go, my dear little angels, in the peace of God. Ad Deum
