

Message from MARY, MOTHER AND QUEEN OF THE DIVINE WILL
For AMERICA and The WORLD
August 13, 2002 through Chris Courtis, a visionary in Maryland, U.S.A.

My dear little children, praise be Jesus.

My dear children, I thank those of you who have grown spiritually, and I'm asking for your help in this time to pray for peace and for the conversion of sinners. I am giving to you all great graces, but Satan wishes with all his power to destroy this world and your souls. My loved ones, this time that you are living in is very crucial, and time is running out. You can no longer run from yourselves. You all must be brave children, small, meek and humble in heart in order to put a stop to evil.

I am here to help you. Please, dear children, you must stop offending God. In order for you to return to God, you must come face to face with your sins in order to change and grow. Go to Confession. Receive Jesus in the Blessed Sacrament and grow, little children, in the love of God. Oh, my children, you do not recognize the importance of this time. This is a time when Satan is unleashed and is going throughout the world destroying your world. He is running wild. He poisons you with lies and false truth. He is attacking directly through humanity with violence, murder, hate, sex, and greed, but this is also a very special time when God is actively fighting Satan. It is a time when tragedy abounds, but is also a time of great miracles and blessings.

Many of my little ones are confused. They do not know God, but yet they feel His presence and His living peace. Since human souls are at stake, it is only human souls that will make a stand against Satan and all his evil. Human beings are being asked by my Son to make a final stand. Your decision will either lead to peace or to war. My warning for America is very simple. Pray, do penance, and return to the Living God. If America goes to war with Iraq, you will be on the doorstep of a global war. I'm crying with tears of blood for you to amend your ways. I love you very much, but if you do not be little and humble, you cannot truly love.

My words from Heaven are always to lead you to God, to Jesus. Always He is first. I could, by the Holy and Divine Will of God tell you what would happen if my children did not return to God, but it is enough for now that I am with you. Loving God is the only true solution to life's problems. I am your loving mother and I'm not ready to give up on humanity. God will prevail, my little ones. My Immaculate Heart will be victorious. My Immaculate Heart has already begun to reign. Though it may not be apparent yet, it will soon be realized that this age will be, and is, the Reign of My Immaculate Heart. Watch and see, my little ones, what God will do. Everyone will be a witness.

Pray, pray, pray, and return to God. I love you all, and I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Please know that I take your petitions to my Son. Now as I make the Sign of the Cross again, I will bless you and all that you have brought with you. I bless all that is in this room, on the altar, under the altar, by the altar, and you yourselves, I am blessing. Now as I shall depart, I shall depart, but I will always be with you always when, and especially when, you pray. Thank you for responding to my call. Go in the great peace, love and mercy of God Most High. Ad Deum
