

Message from MARY, MOTHER AND QUEEN OF THE DIVINE WILL  
For ALL FAMILIES OF THE WORLD  
November 13, 2002 through Chris Curtis, a visionary in Maryland, U.S.A.

My dear little children,

Praise be Jesus! My dear children, I call all families of the world to consecrate themselves to my Immaculate Heart and to pray and fast as a family. Please, dear children, help me. I call all parents to set a better example for your children. Do not allow your children to watch endless hours of television, but instead, invite your children to pray. Help me. Help my young ones to pray by teaching them the values of the power of prayer. Teach them to respect themselves and others and to fast out of love and gratitude for all that God has given you.

My dear ones, the result of today's world is because of the lack of loving discipline in today's families. Call to your children and pray, pray, pray. Pray together as a family. Prayer and fasting will draw you all closer and give to the family peace. God shall be an intimate friend and the family will prosper in all things. Prayer and fasting should become a joy for you, not a burden. When my Son is placed in the center of the family and when there is prayer, there is peace. Let the peace that God gives to you exist within each others' hearts and families. When the family is at peace, that peace is extended to others, especially to those who do not have peace. Let the peace of God exist within the families so that peace can exist throughout the world.

Today's problems are just a prelude to what will come if God is not returned to the center of the family units. This is a very important message because I am the Mother of God Jesus Christ and also your loving mother and I am warning you that without God there is no life or light. If the family units of today, do not return to God, to obeying and living by His Ten Commandments and prayer, then many sorrows will come to the families and the light of God's peace will not shine forth as it should.

Satan is very strong and he wishes to make you think that nothing is as important as self-gratification. This behavior is leaving many of my young ones prey. Therefore, once again, do I invite you and encourage you to pray the whole Rosary and light a candle on Thursday nights. Let Thursday nights be a time of family prayer and contemplation on the mysteries of God. Through the Rosary and families praying together, we will be victorious over all evil.

Now is the time to pray. Now is the time to put Jesus, my Son, at the center of your life and families. Together, we can change the world. All families are called to imitate the Holy Family of Nazareth. All families are invited to help me spread peace throughout the world. To those who feel that they are alone, or think that they have no family, I say to them this; you are not alone, my dear ones, for my Son and I are with you. Call on us and we will be with you along with the whole heavenly court, praying with you. Remember, my dear little children, we are all one body in Christ. If one member is hurting, does not the whole body feel its effects?

I love you, dear children, and I invite you to family prayer. Pray, pray, pray! Pray, dear children, pray! I bless you and everything you have with you, in the Name of the Father, and of the Son, and of the Holy Spirit. Please know that as I make the Sign of the Cross again, I shall depart. I shall depart, yet I will be with you all in a very special way when, and especially when, you all pray. Everyone who has prayed on the 13<sup>th</sup> of this month has received my blessing. I love you all. Persevere, for I am with you all. Peace. Thank you for responding to my call. Go in the great peace, love, and mercy of God Most High. Ad Deum
