

Message from JESUS, LORD AND LOVER OF THE DIVINE WILL
To THE WORLD

December 13, 2003 through Chris Curtis, a visionary in Maryland, U.S.A.

My dear and beloved children of My Father's earth,
I come to you today to ask you to help Me. I am sad. I am in mourning. This is a great time, the time of My birth. But at the same time, there are so many people who do not wish to understand why I came into the world.

I came into the world for you. I came into the world for the love which I bore within My Most Sacred Heart and the love that God the Father has for you. I came to save you from sin and that you would be with Me in Paradise forever, but My words, My life, and My death are not enough for some. They continue to abuse Me, mock Me, hate Me, and hit Me. Oh, how much I have endured!

It is not just the unbelievers who wound Me so much as it is those who surrender themselves to the vice of deceitful religious practices. The religious practices that I am speaking of is New Age. New Age has entered My Church and into the heart of My children. There is only one God and there is only one Man God, and that is Me.

I wish that my children would pray and surrender their lives to Me as I have done for them. You cannot live in the world without My love. If My love leaves you for a second, you would cease to exist, but yet I am here. I speak to you of My love to draw My children back to Me, to the Truth. So many of My children are being deceived. There is nothing more important, *(There's a lightning strike that just came!)* There is nothing more important than seeking the Truth. Even all the greatest graces in the world, including My love, is not enough if you do not have the Truth within your heart and within your soul. I'm calling My children to the Truth so that they will be witness of the Truth.

I died for your sins. I died for you. I am the one who purchased for you the rewards of eternal life. I am the one who gave you My love and the love of My mother at the foot of the Cross. Your lives are not your own. They belong to Me, but I give you free will to choose what is right and what is wrong in your life so that you would choose to do good and to seek after the Truth.

I wish that I could go into depths with you about the deceitful New Age religious practices that are penetrating the hearts of My children, but it is not necessary. You all know what you need to do, how much your part is to play in My plan. I'm calling you to pray for truth and enlightenment so that those who are deceived may have the opportunity to know the truth and draw closer back to Me. Will you not help Me?

Call out to Me and pray that My Truth may be known, and not Satan's. He is very clever. He mixes lies with the truth. He even uses Me and My mother in some of these deceitful practices which are not becoming to God or Me. Those who will remain faithful to the True Catholic Church will be blessed for all time. Do not be deceived by Satan. Do not be deceived by Satan. Do not be deceived by Satan. Help Me. I am calling you all to be My witness and to call My lost children back to Me. I am a merciful, loving God, but I am also the Second Person of the Holy Trinity. If people will not return to Me soon, I have no choice but in My merciful love to send you My justice, not as a punishment, but to cleanse you and to bring you home to Me.

Pray, pray, pray, and do not give up on Me for I never give up on you. I love you all, and I bless you with the sign of your peace, My Cross, in the name of the Father and of the Son, and of the Holy Spirit, Amen. As you make the Sign of the Cross again, I will depart. I will depart to My Father who has sent Me, and I shall give a special blessing on all the statues and religious items here. *(He's making the Sign*

of the Cross) in the name of the Father, and of the Son, and of the Holy Spirit. (There's a light that's moving from one statue outward, all over the place, right and left. The whole thing is light. Everything is lit up like a Christmas tree. There's white light all around everything, around the statues, around the white linen thing. Everything is white! Now the light is fading.)

[Chris later explained, "When He appeared at the end, He was wearing a crown of thorns and also, when I mentioned the lightning strike, I saw lightning strike. It hit where Jesus was. I've come to understand that the lightning symbolizes God's presence touching the earth.]
