

Message from JESUS, SON OF THE LIVING GOD
To THE WORLD

October 9, 2003 at 5:37 pm through interior locution through Chris Courtis.

My children,

It is I, your merciful Savior. I love you and My Father loves you. Oh, how much we love you! But why are you so troubled? Why are you so hard and hateful? Why do you think you are your own creators?

I am Son of the Living God. My Father and I create life. He and I created you out of nothing and cared for you, but, My little ones, you have not listened to Me or the messengers I have sent to you. You are disobedient children, but yet I love you. Come to Me now while I am showering great graces of My divine mercy on you and do not look back, because at the end, I will say to you as the Son of God, "Where were you when I was giving to the world My grace, My divine mercy, My love?" This time is now and must be lived.

I have called you, and again I call you, to pray, pray, pray to find Me! I am the Son of The Living God and I am most alive, but I am hidden in the Blessed Sacrament and I am hidden in prayer. Come and find Me. Oh, what graces I will give to My children, to My Father's children, who come and find Me! Do not think that I do not have the power to give to you your heart's desire, because I am the Son of God.

There is no time in Me. What you see now will not be tomorrow. Do not think that this is a statement of fear. It is a statement of truth. This world, if it does not return to Me, will destroy itself, and I will not stop it. The further you walk from Me, the more you will suffer, and suffer you will. I gave to you life and it saddens Me that you are wasting it. I would want all My people to be productive in this life *by prayer and love*. But the people of today are evil and very hateful, even unto their own brothers and sisters within their own household.

You have chosen to leave Me and My Father by your own free will. You leave Me, One who loves you, to go after Satan who wants to destroy you. What fools! But, My dear ones, I, the Son of the Living God, and My Father, We love you, but run unto Me now that My arms are wide open. I love you all. Peace. I am Jesus, Son of the Living God.
