

Message from JESUS, LORD AND LOVER OF THE DIVINE WILL  
For THE WORLD (message 1)  
June 13, 2003 through Chris Courtis, a visionary in Maryland, U.S.A.

My dear and beloved children of My Father's earth,

Today, I invite you to live the way of My mother. The time remaining for your conversion and peace is short. Because it is short, little ones, I will give you this lesson. Listen well to this story.

One time, when Mary was two years old, St. Anna got the Blessed Mother up early that morning. They went outside into the yard and watched the sunrise. St. Anna's words to the Blessed Mother were, "Look how beautiful is God's creation. Give praise and glory to Him for everything that He does, for everything He creates is good." The Blessed Mother loved the sunlight, but she became distracted by the roses growing in the garden of her mother, St. Anna, so she left St. Anna and went to the roses. St. Anna then was completely unaware that her little daughter left her. When St. Anna turned around, her little daughter, Mary, was gone. Of course, naturally, she began to panic. She ran into the servants' quarters thinking that Mary might have gone in there, because Mary spent frequent times with the servants as well, teaching them the ways of God. When she did not find her there, she went into her room, hoping that she was in prayer in the sanctuary that she built in her room. She was not there. She came again to the spot where they were, and again, she cried out. This time St. Anna prayed, "Oh, my Father, my God, help me find your little girl. I am so sorry for having lost your holy little girl. Please have mercy on me, oh Heavenly Father, and help me find your daughter Mary." Just then she looked down and she heard the giggles of her little girl playing in her rose garden. There she was picking the petals of each rose, just picking them off and pretending that they were graces.

There are many lessons to be learned from this story, little ones, such as: there will come a time when you will look for your mother and she will not be present. That is why you must live every message that she is giving to you. You must *live* them. Listen and live every word. The only way you will find Mary, My Holy Mother, will be through prayer. There will be a time when you will only find signs of where My mother has been, such a Medjugorje and Garabandal, signs where she *had* been. Therefore, this time is given to you as a grace. Little ones, pray with all your heart and realize that My mother is present to you in a very special way whenever you pray.

Also, this story has another value. When you find the Blessed Mother, you will find Me, two united hearts joined together, not separate, but as one, leading to the Sacred Heart of God the Father. My little ones, meditate deeply in prayer this message that I give. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Now I will give my second Message to the World.
