

Message from JESUS, LORD AND LOVER OF THE DIVINE WILL
To THE WORLD (message 2)
June 13, 2003 through Chris Courtis, a visionary in Maryland, U.S.A

(His robe, it's all white. Now it's becoming red. He says,)

My dear and beloved children of My Father's earth,

The time is coming when mankind will see My justice, the justice of My Father. I ask you to pray for your brothers and sisters who do not know the truth, or distort it, such as your Muslim brothers and sisters and those who are Christians but distort My words to live by their own standards. I tell you in truth, if My people, God's people, do not repent, especially the Arab world, I will completely wipe them out. This is my warning, not only for them, but for the whole face of humanity. You cannot continue to violate My laws any longer. If you continue to, you will see the just hand of God.

Another war shall be upon you, greater than you can imagine, but before then, your nation shall go through many turmoils. There will be another war before the greater war and your economy will be destroyed. California will suffer another earthquake, greater than man has ever seen. God's justice is out of His love. This lesson and message is to give you time to repent and listen. My Father loves you. I love you. The Holy Spirit loves you. I had hoped that after September 11th, people would have repented and bettered their lives. Most of them have, but this nation is worse than September 11th now because the people who had begun to pray are lukewarm now. I cannot stand a lukewarm nation that neither prays nor accepts My words. There is too little faith here, and I am very sad.

My blessing is upon you, and I encourage each one of you to help and encourage each other in the faith. Be kind to each other and loving. Be my merciful hands to humanity. The most serious message I give is this one: If humanity does not become little, small and content with the graces that I give to them, humanity will suffer and suffer, and the graces that you have will be taken away, even the Mass. Be forewarned. This message is serious. Pray for your president and help him. Too many people are divided in this nation. My mother told you, do not push your public leaders too far, but you continue to push without seeking truth and guidance from the Holy Spirit, and so shall you be misled. My words are enough for now.

I bless you with my rays from my heart. *(He's blessing us, not with the Sign of the Cross, but with two large rays, one red and one white, Divine Mercy rays. He says,)* Go in My peace.
