

Message from MARY, MOTHER AND QUEEN OF THE DIVINE WILL
To THE WORLD

December 24, 2003 through Chris Courtis, a visionary in Maryland, U.S.A.

Praise Be Jesus!

My dear little children, I come tonight from Heaven to ask you to continue to pray for peace. Look, in my arms I come presenting the new born King of the world. Your triumph exists with Jesus. He is your Lord, your God, and the King and Prince of Peace. I give you Jesus, the Prince of Peace as my gift to the world.

I bore Him in my womb and said, “ Yes” to God’s Plan because I loved God’s Will and I obeyed God’s Will and I loved and yearned to save humanity. My heart yearns to save each and every soul from the fires of Hades. That is why today I present the key to your salvation, my Son, your God, Jesus Christ.

I come to you to bring to you His peace, for soon there will be God’s true peace established on earth. But before God’s truth and peace comes, there will be a time of purification and great difficulty.

I come to give to you the gift of peace, for I am your Mother, the Queen of Peace. In order to receive the peace God wishes to give to you, I invite you to conversion, peace, renewal and prayer from the heart, but even before then, I invite you to Confession. Confess your sins and receive Jesus in the state of grace and you will receive His peace.

Pray, pray, pray for peace within your heart, peace within your soul, peace within all families, peace for the Church, for the government, for those who strive to help the poor, peace for the nation and for its leaders, peace for the religious leaders, and peace within each nation and country on earth, and peace for the whole world.

Do not give up on praying for peace, for the peace that God gives to you now is and can be everlasting. Guard your peace. Do not let anyone disturb you or take your peace from you. My little ones, you are not aware of the deceptions of Satan, especially when it comes to this holiday. Satan uses money and other idols to catch you so that you will be blinded by the cares of this world.

I call you to receive the Eucharistic Peace of Jesus, which is only possible for those who love Him and those who attend Mass.

The key to any authentic apparition site is the peace that God gives you before, during and after my visit. If you are not at peace, then I am sad to tell you that is an attack from Satan. Satan comes even though I am here also. He comes to threaten God’s plan and to turn you in any direction he can, away from me and from my triumph and from my Son.

Pray, pray, pray that you may be able to surrender to God’s Will, that you may accept what God gives you and then that you may pray for the disarmament of Satan and his plans. Pray always and know that when you pray from your heart, I give you true peace. →

My Son is always with me for I am The Most Holy Theotokos, The God Bearer. Wherever I am, my Son will always be with you. Let this be your lesson for Christmas and for this month; to pray for peace, to preserve your peace, and to know that wherever I am, my Son is also present. He who offends me, offends my Son. He who will honor and love me, will certainly honor and love my Son.

Now, I shall bless you and everything that you have with you and everything that is on the altar and by the altar I am blessing with The Sign of The Cross, in The name of The Father and of The Son and of The Holy Spirit. Amen. As I make the Sign of The Cross again, I shall depart. I shall depart, but I shall remain always with you when you pray.

(She is making the Sign of The Cross again), in the name of The Father and of The Son and of The Holy Spirit. Amen. Thank you for having responded to my call. Go, my dear little angels, in the great peace, love and mercy of God Most High.

(I forgot to tell you what she looks like. She is still here. She has the baby Jesus. The baby Jesus is wrapped in swaddling clothes. Our Lady is dressed all in white with a long white veil. I can see her hair, its long, she is wearing a blue sash, she has a crown of twelve stars on her head, but they are, they are light blue stars, I don't know, they are twinkling stars but they are surrounded with a blue light and she herself is surrounded by light. Now she is gone, she's gone.)
